

Code No. 414.10 VOLUNTEER FIRE FIGHTER AND EMERGENCY MEDICAL SERVICE PERSONNEL

Those employees who are volunteer fire fighters, emergency medical service, ambulance drivers and such may be excused from work to perform those duties in time of an emergency. This time will be granted without loss of status or pay.

The time granted will be case of an emergency only. Employees are not to be “on call” during regular work hours. If an employee is “on call” during regular hours and is called away on a routine procedure, the employee will have to use either personal leave or sick leave in that order. All necessary paperwork will need to be filled out by the employee.
