

Code No. 501.16 HOMELESS CHILDREN AND YOUTH

The board will make reasonable efforts to identify homeless children and youth within the district, encourage their enrollment and eliminate existing barriers to their receiving an education, which may exist in district policies or practices. The designated coordinator for identification of homeless children and for tracking and monitoring programs and activities for these children is the Superintendent of Schools.

Due to regular amendments to the federal law on homeless children and youth, and the lack of detailed federal policy requirement, IASB has decided to edit most of the content out of the Homeless Children and Youth policy.
