

SHPS SUMMER FOOD

Children may go on summer vacation, but hunger doesn't. South Haven Public Schools' Summer Program bridges the summer hunger gap and lets our children know that the community cares about their well-being all year long. Summer Meals Programs must meet federal nutrition standards, ensuring that children continue to have access to the healthy, well-balanced foods they receive throughout the year. Anyone 18 years of age or under is eligible for free meals. Look for the "FARM Bus" (Fun, Activities, Reading, and Meals) visiting our mobile sites, bringing with it our traveling nutrition education and fun giveaways!
