

Code No. 711.3 STUDENT TRANSPORTATION FOR EXTRACURRICULAR ACTIVITIES

The board in its discretion may provide school district transportation for extracurricular activities including, but not limited to, transporting student participants and other students to and from extracurricular events.

Students participating in extracurricular events, other than those held at the school district facilities, may be transported to the extracurricular event by school district transportation vehicles or by another means approved by the superintendent. Students attending extracurricular events, other than those held at the school district facilities may be transported to the extracurricular event by school district transportation vehicles.

Students, who are provided transportation in school district transportation vehicles for extracurricular events, will ride both to and from the event in the school vehicle unless the necessary forms have been filled out.

Non-employees may transport students in school vehicles to extra curricular activities if authorized by the Superintendent. The person would have to prove they have a valid driver's license for the state of Iowa and complete the Non-employee driver form.
