Academics/Grades

- **Assessments:**
NATIONAL ACT TEST
SCHOOL CODE: 170865

Go to <http://www.actstudent.org/regist/dates.html> to see test dates and registration deadlines.

Seniors are encouraged to take the ACT in October if they have not taken the ACT in the spring of Junior year. This ensures consideration for the State of Kansas Scholarship Program. Also, it is helpful for the counselors to have this information during senior conferences.

Go to <http://sat.collegeboard.com/register/sat-dates> to see test dates and registration deadlines. SAT tests are given at WSU or Wichita Northwest High School.

Registration materials for PSAT/NMSQ may be obtained from the Counseling Office.

- **Cheating/Plagiarism/Forgery:** The acts of cheating, plagiarism, or forgery in connection with academic endeavors or school processes or procedures are detrimental to the educational process and are subject to disciplinary action and loss of credit and may be a matrix violation.
- **Class Dues:** Class dues of \$5 per student are collected each year to pay for class-wide activities (ex. Freshmen shirts, Prom, etc.)
- **Credit Recovery:** Secondary students will have two options to recover needed credits.
 - Option 1: Students can repeat a course during the regular school year. It will be in-person and will not be shortened or accelerated. There is no additional cost for this option, but each class being taken to recover credit would replace an elective option in their schedule for the semester. If they need to recover more credits than they have room in their regular schedule to re-take, they will need to plan to utilize Option 2 for those additional courses.
 - Option 2: (This is the only option after second semester for eighth grade students and seniors.) Attend summer school. Summer school classes will be offered through Acellus at \$150 per student. This fee must be paid before students are allowed to begin any summer school classes and will cover as many classes as they are able to complete during the summer school timeframe. Since this is the amount the company is charging per student, there will be no discount based on lunch status.

2023-2024

- **Final Exams:** The Final Exams and Incentive Policy is designed to motivate students to demonstrate academic, attendance and behavior success while still providing a measure of academic accountability and a strong college/career preparatory experience.
 - All students will have semester tests (final exams) in each class.
 - Final exams may be cumulative, summative, unit, project or performance based as deemed appropriate by the teacher and best suited to the nature of the course.
 - The weight of final exams in determining the semester grade is primarily at the discretion of the class teacher, except that final exams shall account for a minimum of 5% of the semester grade.
 - Final exams will be administered within the last two days of each semester.
 - Students will take final exams during the regular class period unless the principal has approved alternative scheduling arrangements in advance.
 - Students who do not complete final exams by the end of a semester will be given a zero for their final exam grade. For students with excused absences during final exam days, there will be a scheduled finals make-up day for students to complete their course final exam. After grading the final exam, the course grade will be updated. The initial course grade will stand for students who do not show for make-ups. Students with unexcused absences during final exam days will not be able to make up final exams.
- **Final Exam Incentives:** To be eligible for final exam incentives, students must:
 - be passing Connections.
 - have no unexcused absences in Connections.
 - have not been assigned Night School, Saturday School, or OSS for matrix violations.

If all criteria above are met, students are eligible for individual course incentives based on the following:

- An “A” with three excused absences or fewer, two tardies or fewer, and no unexcused absences.
- A “B” with two excused absences or fewer, one tardy or fewer, and no unexcused absences.
- A “C” with one excused absence or fewer, no tardies, and no unexcused absences.

A student who has earned a final exam incentive AND scores a 60% or better on the final exam, shall have the option to include or withhold the final exam score from their semester grade.

- **Full-Time Enrollment:** Each student must be enrolled in at least seven classes and a Connections period during the freshmen, sophomore, junior, and senior years. Any exceptions must be approved by the principal and reviewed annually by the superintendent.

2023-2024

- **Grade Cards and Grade Point Average:** Letter grades at the end of each grading period will reflect each student's progress. All credits and grades earned will be recorded on the transcript in 1/2-unit increments. Semester and final grades will reflect only A, B, C, D, F, OR P. Points shall be computed on the following basis: A=4, B=3, C=2, D=1, and F=0. Pass (P) or fail (F) grades are used in certain courses. The Pass grade does not affect the student's grade point average.
- **Grading Periods:**

Grading Period	Grading Period Ends	Grades Due	Grade Cards Distributed
1st six weeks	September 22, 2023	September 25, 2023	Sept 27, 2023
2nd six weeks	November 3, 2023	November 6, 2023	November 8, 2023
1st semester	December 15, 2023	December 19, 2023	January 3, 2024
4th six weeks	February 14, 2024	February 15, 2024	February 20, 2024
5th six weeks	April 11, 2024	April 15, 2024	April 17, 2024
2nd semester	May 23, 2024	May 24, 2024	May 28, 2024

- **High School Transcripts:** When a student or parent requests that a copy of the student's transcript be sent to a college/university, vocational school, a prospective employer, and/or any other agency as requested by the student or parent, the information listed below will be included on the transcript. If a student or parent does not want any of the standardized test records listed below sent to the above-mentioned institutions, the student or parent must sign a "request to delete information" form stating which test records are not to be sent. Requests to delete information can be made through the counseling office. (Name, Absences, EHS Course grades, Date of birth, Tardies, GPA, Credits earned, Standardized test scores – ACT/SAT)
- **Honor Roll:** The high school honor roll will be issued by the counseling office after each semester. Students qualifying will be named to one of the following honor rolls:
 - Superintendent's Honor Roll 3.8 - 4.0
 - Principal's Honor Roll 3.5 - 3.79
 - Red & Black Honor Roll 3.0 - 3.49
- **Incomplete Grades:** If a student has an approved reason to extend the time to complete a course, the grade will be considered incomplete but will be recorded as it appears in the teacher gradebook. Grade point average will not be calculated until the incomplete grade is changed to a letter grade. Incomplete grades for unfinished course requirements must be updated within two weeks after the close of the grading period. If the material is not handed in, the recorded grade will not be changed. For eligibility purposes at the end of each semester, an "incomplete" is considered an "F" per KSHSAA regulations. Incomplete grades cannot be made up for eligibility purposes after the close of the semester.
- **Part-Time Enrollment:** In order to best-prepare for post-secondary endeavors, students should maintain a full schedule. Part-time enrollment will be allowed in the event students are making adequate progress toward graduation and have parental and

EHS Student Handbook

2023-2024

administrative approval. Part-time enrollment may be granted at the beginning of each semester. Students who are participating in KSHSAA activities must maintain five (5) credit-bearing classes throughout the entire semester. Students must be enrolled in at least four (4) classes to meet requirements of the 1:1 Device Contract.

- **Physical Education Footwear:** In order to protect the integrity of our gym facilities, students are required to have a pair of tennis shoes solely designed for physical education classes. These shoes are to be worn in physical education classes only and stored in the student's PE locker when not in use. Please visit with a counselor if you need assistance purchasing a pair of physical education shoes.
- **Schedule Changes:** There should be few requests to make a schedule change after the pre-enrollment process is completed. During pre-enrollment, students are requested to give careful consideration to course offerings. Students are encouraged to discuss their proposed schedule with their parents, and parents must sign the pre-enrollment form.

Schedule changes after the first six days (6) of any semester are at administrative discretion. Students changing courses within the first 6 days will be required to make up missing assignments. All add/drop policies apply to dual credit courses as well.

After the enrollment process is completed, changes in class schedules must meet one of the following criteria:

- misplacement - it is in the best academic interest of the student to change a class with enhancement of academic program - student may desire to move into higher level classes with administrative approval
- failure - the student's schedule must be changed to meet graduation requirements
- medical reasons - must be supported by a doctor's statement
- disciplinary change - only in extreme cases
- balancing class loads
- hardship requests or "unusual circumstances" (low grades do not constitute unusual circumstances)

All add/drop policies apply to dual credit courses as well. Any dual credit course dropped after the first six days of any semester will result in a grade of "F". This grade will be recorded on the student's transcript and will affect the student's grade point average. No schedule change is final without administrative approval.

- **Textbook/Online Resources Rental Fees:** Enrollment will not be completed until fees are paid or arrangements have been made for payment. Students will be held responsible for any materials they receive. Charges for damaged materials will be the repair cost, while lost or destroyed materials will be charged at replacement cost. Graduates will not be allowed to participate in graduation exercises until all fees and materials have been paid for or returned.
 - Textbook Rental Fees (Grades 9– 12) = \$45
 - Elective Course Fees: (Grades 9-12)

Partial refunds are only provided if a student leaves USD 490 on or before October 1 of the school year.

Activities/Athletics

- **Attendance:** Attendance is important for all students, including those participating in athletics and activities. If you are absent for all or part of a school day, you will not be able to participate in practice or events that evening. Exceptions will be made for doctor's appointments with an accompanying note or by administrators.
- **Clubs:** Club meetings will be held on a scheduled rotation during the school day when possible. To look into starting a new club, see the Activities Director for a request form.
- **Concussions:** The KSCP (Kansas Sports Concussion Partnership) concussion protocol will be followed to ensure the health and safety of all students. This KSCP protocol is utilized for evaluation of potential concussion situations and, upon physician diagnosis of concussion, is utilized by the district to ensure student safety for return to academic and extracurricular activities. This protocol is available in the Nurse's Office, the Athletic Trainer's office, or the Athletic/Activity Director's Office.
- **Disciplinary Action:** All Disciplinary Action taken by the Athletic Director will be in accordance with the EHS Discipline Guidelines.
 - "Student NOT in Good Standing" – Any student who is assigned out of school suspension, or expulsion. A student "not in good standing" is

EHS Student Handbook

2023-2024

ineligible for participation in any USD 490 activity for the duration of the discipline and until midnight on the last day of discipline.

- Unsportsmanlike Conduct (Participants)– A conference with an administrator will take place following any penalty for unsportsmanlike conduct in a competition (as defined by rules of the individual activity).
 - Ejection from an Activity/Contest – **Any participant** ejected from an activity/contest by an official will automatically not be allowed to participate for the remainder of the day of ejection and the next scheduled competition at the same level. Additionally, a conference with an administrator will take place following the ejection, the NFHS Sportsmanship course will be taken, and additional disciplinary action may be taken, up to and including removal from all activities for the remainder of the school year.
 - Unsportsmanlike Conduct (Spectators)– A conference with an administrator will take place following any penalty for unsportsmanlike conduct in a competition (as defined by rules of the individual activity). Discipline will include these steps.
 - Reprimand (1st Offense) - They will take the NFHS Sportsmanship course at their expense
 - Probation (2nd Offense) - Miss next event in the same sport or next sport if the previous season is over.
 - 3. No Entry (3rd Offense) - Spectator will not be allowed entry for the rest of the year to any events.
 - Ejection from an Activity/Contest – **Any spectator** ejected from an activity/contest by an official will automatically not be allowed to participate for the remainder of the day of ejection and the next scheduled competition.
 - Additionally, a conference with an administrator will take place following the ejection, the NFHS Sportsmanship course will be taken at their expense, and additional disciplinary action may be taken, up to and including removal from all activities for the remainder of the school year.
- **Driving Waivers:** For all activities that a student would drive themselves and/or other students to, driving waivers must be signed by the student and the parent (i.e., Tennis Practice, Baseball Practice etc.).
 - **Eligibility:** In addition to KSHSAA eligibility guidelines, grade checks will be conducted at the end of each 6-week grading period. If a student has a failing grade at the end of the grading period, then he/she will be ineligible for the following week and placed on academic probation for the duration of the 6-week grading period. During the probationary period, weekly grade checks will take place for the students on academic probation. A student's weekly eligibility status will depend on the weekly grade checks.
 - Extend students will have an additional grade check at the end of the first and third quarter.
 - Students become academically ineligible 24 hours after 6-week grade checks.

EHS Student Handbook

2023-2024

- Fall eligibility status will be based on final grades from the previous school year.
- **Participation Requirements:** Before students can participate (including practice) in a KSHSAA-sponsored activity, they must have a completed, current physical on file, passed a concussion test, and have a signed driving waiver on file.
- **Pre-Participation Physicals:** The Kansas State High School Activities Association requires that every student participant has a signed and completed physical on file. This physical cannot occur before May 1 of the year preceding the year for which it's applicable. To get the most up-to-date physical form, please visit the KSHSAA website at <https://kshsaa.org>.

Attendance

- **Absences:** Any time a student misses 50% or more of a class period, they will be considered absent.
- **College Visits and Job Shadow Absences:** The first 4 college visits or job shadow days will be recorded as school activities, so there will not be a penalty as related to the Finals Incentive, providing the proper documentation has been completed/approved from the Counseling Office. Additional absences for college visits or job shadows will be recorded as an excused absence.
- **Enrollment in College Classes:** High school students will be permitted to attend college classes for enrichment during the school day. Students wishing to attend courses at the college during the school day may make an application to the principal to have these courses considered for dual credit. Applications for enrollment in a BCC Advanced Elective course are available in the Counseling Office.

Dual credit and GPA points will be allowed for courses taught by EHS faculty on the EHS campus. Students must have administrative approval if dual credit and GPA points are desired for courses not taught by EHS faculty on campus. In order to take a dual credit course, students must meet BCC eligibility guidelines (qualifying GPA, qualifying ACT score, or qualifying Accuplacer score). Juniors and Seniors are eligible to take dual credit courses. Any exceptions must be approved by EHS administration.

- **Hall Passes:** Students shall not normally be permitted to leave their assigned classroom during class time. Students in the hallway must have an approved e-hallpass prior to traveling anytime during the day other than passing periods and are expected to travel directly to their destination and back to their classroom. When traveling during Connections, a pass must be approved both by the teacher whose class a student is leaving and the teacher whose class is being traveled to. Leaving class without making passes and/or not having passes approved may be considered a matrix violation.

EHS Student Handbook

2023-2024

- **Involvement of Law Enforcement:** Law enforcement officers may return truant children to the school where the child is enrolled, to the child's parent or guardian, or to another location designated by the board to address truancy issues.
- **Leaving the Building during School Hours:** Leaving during the school day should be limited as much as possible. Should students need to leave, parents/guardians need to call the Main Office to excuse their child. Students approved to leave school during the day must check out through the Main Office. Upon returning, students must check in at the Main Office. Students attending appointments will be expected to bring in notes from these appointments.
- **Make-up Work:** Make-up work relates to assignments, projects, or tests that were assigned or administered during a student's absence from school. It is the student's responsibility to obtain make-up assignments from teachers following an absence. Students should make every effort to communicate (email, Landing Pages, phone calls) with teachers to collect materials & assignments anytime an absence occurs. Students will have two days for every day absent to complete work that was missed. Administration, Counselors, and staff will make a plan with students who have extended absences regarding the completion of work.
- **Make-up Work vs Late Work:** Late work is anything that has not been turned in by the assigned deadline. Credit for late work is at the discretion of each teacher. Students should check with their teachers and the course syllabus to find out if late work is accepted at all, and if so, if there is any penalty for turning in late work.
- **Reporting to Parents:** If a truant student is returned to school by a law enforcement official, the principal shall notify the parent/guardian.
- **Senior Release:** Seniors must qualify to get senior release time by being on track to graduate. Seniors will indicate the desire for senior release at pre-enrollment in the spring. A parent signature will be required. Students will not be able to add more blocks of release without a parent signature. Seniors need to be aware that to have a school device they must be enrolled in at least four credit bearing classes. Also, to compete/perform in KSHSAA sponsored events, they must be enrolled in at least five credit bearing classes. Senior releases are only offered during the second semester. The expectation is seniors who are on senior release are not in the building without an approved appointment pass or direct involvement in an activity that is occurring during release time. If adequate progress towards graduation is not maintained, senior release privileges may be replaced with academic supports.
- **Student Truancy:** Parents are asked to notify the school as soon as possible in the event of a student being absent. The school administration is charged with determining whether the absence is excused. Verification of an absence must be provided within five days of the absence in order to be accepted for an excused absence. After 10 excused absences in a school year, official documentation (doctor's note, etc.) will be required for an absence to be considered excused.

EHS Student Handbook

2023-2024

- The automated school notification system will be used to notify parents of the absences for which the school has not received notice following the daily attendance. This notice shall go to all parent contacts on the emergency system.
- At the conclusion of each day, any absences remaining unexcused for the day will be noticed through the automated notification system to all emergency contacts.
- When a student's unexcused absences meet mandatory reporting requirements (any three consecutive unexcused absences, any five unexcused absences in a semester or seven unexcused absences in a school year, whichever comes first) a Parent Truancy Notice will be mailed. Seven calendar days later, a Truancy Report must be filed with the appropriate authority (County Attorney or DCF depending upon age of the student).
- An Intervention Warning letter will be sent to the parent of any student with a 20% or greater cumulative absence rate.
- An Intervention Report to appropriate authorities will be made for any student with a 25% or greater cumulative absence rate IF a warning letter has been sent. If a warning letter has not been sent, a warning letter will be mailed, and the absence rate will be checked again.

Copies of all letters and forms shall become part of the student's educational record.

- **Tardies:**

- Students who arrive at school after the bell must report to the office for an e-hall pass before reporting to their first class.
- Tardies due to appointments will not result in detentions provided the office receives a doctor's note upon the student's arrival to school.
- A student will be considered tardy if he/she is not in class and following the teacher's procedure by the time the bell rings.
- A student will be considered tardy if he/she is not in class and following the teacher's procedure by the time the bell rings.
- Tardies one through five in a semester will be documented. Tardies six and beyond in a semester will result in one 30-minute detention per tardy.
- Accumulation of detentions for tardies could be assigned as Night or Saturday School.
- Tardies reset at the beginning of each semester.

- **Unexcused Absence:** A student has an unexcused absence when he/she is away from assigned classroom without parent/lawful custodian notification and administrative approval.

- **Waiver of Compulsory Attendance Requirements:** Students 16 or 17 years of age may be exempt from compulsory attendance regulations if the parent(s) or person acting as parent attend(s) the counseling session required by law and signs the appropriate consent and waiver form; if the student earns a GED; or if the student is exempt from compulsory attendance requirements pursuant to a court order.

Behavior Expectations

- **Cell Phone Guideline:** Students may use their cell phones in the halls during passing period and in the commons during a student's lunch time. When the bell rings to start class, students should put their cell phones away (backpack, pocket, etc.). Students should only get cell phones out when teachers have given permission to do so. If students have their cell phones out without permission, it will be documented and will result in lunch detentions and/or Saturday or Night School. Matrix points and consequences could result from students having excessive cell phone use in the classroom. Cell phones should not be used for schoolwork as a substitute for the school-issued device.
- **Concealed Observations/Recording:** USD 490 Board of Education policy prohibits individuals from recording students, employees, and/or board members through the use of concealed audio and/or visual recording devices at school, on or in district property, and at meetings held for educational or disciplinary purposes. Exceptions include the use of district video surveillance, recording of meetings subject to the Kansas Open Meetings Act, due process or student disciplinary hearings, student evaluation, or recordings of programs and events which are open to the public.
- **Detentions/Night School/Saturday School:**
 - Students may be detained before or after regular school hours by any certified staff member of USD 490. Teachers assigning detention time in their own classroom will be responsible for the supervision of detained students. Students will be given a 24-hour notice if they must remain after school. Teachers are expected to discuss problems with parents and to set up parental conferences when necessary.
 - Office detentions will be served during lunch times or after school as assigned by administration.
 - Saturday School will be held from 8:00 AM to 10:00 AM and scheduled by administration.
 - Night School will be held from 3:10 to 5:10 and scheduled by administration.
 - Students shall bring school assignments or appropriate reading materials to any assigned detention, Night School, or Saturday School. Students must read or study during the entire period.
- **Dress Code:** The dress code exists to help ensure a positive educational environment for all students. The administration shall be responsible for determining the appropriateness of a student's attire relative to this policy. A student who is inappropriately dressed will be required to change his/ her clothing and may be subject to disciplinary action.

The dress code is in effect for concerts, field trips, and all school activities. Student athletes will be expected to practice in a similar dress code to that which is required for competitions.

 - Students under suspension are prohibited from attending and participating in all school sponsored activities and may not be on USD 490 property.

- **Short-Term Suspensions:**
 - Short term suspension of one (1) to ten (10) days may be assigned with an informal hearing being afforded the student.
 - Parents shall be notified in writing of each suspension.
- **Student Conduct:** Students are expected to conduct themselves in a courteous manner when interacting with USD 490 staff, other students, and/or guests. Students are also expected to conduct themselves in a manner which will not interfere with either the teacher's opportunity to teach or other students' opportunity to learn. When on school grounds or at a school event, students will be expected to comply with any reasonable request or directive from staff at El Dorado High School.

Updated April 2023

EHS Student Handbook

2023-2024

- **Student Information Policy:** The Family Education Rights and Privacy Act (FERPA) requires school districts to give parents and students notice of their rights and the “directory information” categories it intends to release. The district also must allow ten (10) days after that notice has been given for parents to inform the school that any or all of the designated information may not be released without the parent’s prior consent.

Directory information includes the following: name, address, phone listing, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received, and the most recent school attended by the student. Under the Family Educational Rights and Privacy Act (FERPA), school districts are required to provide students and parents with annual notification of their rights under FERPA. Complete FERPA regulations are available in the high school office.

Drug/Alcohol/Tobacco

- **Alcoholic Beverages/Tobacco/Drugs:** Students of USD 490 will not be allowed to attend school classes or any school function while under the influence or possession of alcohol, tobacco, or illegal drugs. (School property includes all buildings and grounds under El Dorado USD 490 jurisdiction and the location of any school-sponsored activity.) Parents will be notified, and appropriate disciplinary action will be taken. Law enforcement agencies will be notified when appropriate. (Refer to BOE policy JCDA A)
- **Drug and Alcohol Policy:** In order to ensure the highest possible standards of learning as well as the safety, health, and well-being of all students, USD 490 endorses a substance abuse prevention policy which will aid all students in abstaining from the use of alcohol/drugs, intervene early when student use is detected, take corrective action when necessary, and provide support for students.

Students are not to possess, sell, distribute, be under the influence of or use any illegal and controlled substances and/or any substance used in a manner for which it is not intended, as well as tobacco products, nor are students to be in possession of drug related paraphernalia. This policy is in effect on all school district property, at any district-sponsored activities, and while traveling to and from any school sponsored activity on school transportation. Students who violate the policy will be subject to appropriate discipline as outlined in BOE, JCDA A and JCDAB policies. Refusal by students and/or parent(s)/guardian(s) to comply with this policy may result in an administrative recommendation to the Board of Education for long-term suspension from school and filing a child in need of care report with Social & Rehabilitation Services (SRS).

In addition, certain standards of social behavior are expected from students who represent El Dorado USD 490 in extra-curricular activities and those governed by KSHSAA. Those students will be required to abide by this policy and sign one participation contract to encompass all activities during the school year. This policy will be in effect regardless of where the violation takes place.

EHS Student Handbook

2023-2024

In enforcing the provisions of this policy, the administration will act on reasonable and responsible evidence. Where suspension or expulsion from school is proposed, students will be afforded due process rights in accordance with K.S.A. 72-6114, et. seq. To the extent that it is feasible, the school district will attempt to cooperate with outside agencies in coordinating efforts to assist the student.

In an effort to assist students in successfully addressing chemical dependency problems, the El Dorado School district will establish and maintain a student assistance program. This policy is required by the 1989 amendment to the Drug Free Schools and Communities Act, P.L. 102-226, 103 St. 1928 (Cf. LDD).

- **Possession/Use of Tobacco/Nicotine/E-Cig/Vape Devices/Oils:** The use or possession of tobacco, nicotine/e-cig/vape devices, and/or oils, will result in matrix points and consequences. Additionally, students will be assigned free ASPIRE coursework as part of tobacco intervention education. This program must be completed *prior* to the student's scheduled return to school from out of school suspension. Students could be ticketed if the School Resource Officer has probable cause to believe they were or are in possession of tobacco, nicotine/e-cig/vape devices, and/or oils.
- **Random Drug Testing:** Students who wish to park on school grounds, attend school dances, and/or participate in extracurricular activities and/or athletics, must agree to participate in the district random drug testing program by offering consent during enrollment prior to each school year. Any student who is selected by the testing program and refuses or fails to provide a sample for testing will forfeit his/her eligibility to park on school grounds, attend school dances, and/or participate in extracurricular activities and/or athletics. Students will have the opportunity to test on the next testing occurrence to potentially resume the aforementioned activities. (Refer to BOE policy JDDA)

Facilities

- **Lockers:** Lockers may be available for student use and can be reserved in the library. Lockers may be inspected periodically or when there is cause to believe school policy is being violated. Each student has the responsibility to maintain his/her locker. Each student will be held responsible for any damage, writing, or defacing of the locker. Lost locks may be replaced through the office for \$5.00.
- **Student Parking:** Student vehicles are to be parked in an orderly manner in the paved lots provided. Parking on school property is a privilege. Students who park illegally are subject to disciplinary action. As indicated in the diagram below, student parking lots are located on both the east and west sides of the building; student parking areas are clearly marked with signage. Students will not park on the south side of the building between 6 am and 3 pm while school is in session. Students will not park in the grass, in zones marked as visitor parking, in zones marked/reserved for teacher parking, or zones indicated as no parking. Upon arriving at school, students are to enter the building rather than loiter in the parking lot. Vehicles and parking lot areas are "off limits" to students

EHS Student Handbook

during the school day. If it is necessary for you to go to your car during school hours, permission must be secured from the office. All students who drive are required to register their car with the office and place their parking permits in plain view while on campus. Violation of school parking regulations will result in:

1. A warning citation
2. A \$5.00 citation
3. A \$10.00 citation
4. Loss of parking privileges (period of time determined by administration or school resource officer)

Failure to pay fines will result in loss of parking privileges and/or participation in the El Dorado High School Commencement Ceremony until fines are paid. Students, who park in handicapped parking and/or areas designated as fire lanes, may receive a citation from 490 Police. Students who drive are asked to exercise extreme caution when driving on school property and to and from school. Reckless driving, speeding, and improper parking are unacceptable. Failure to comply with all traffic rules and regulations may result in loss of parking privileges on school grounds.

Health

- First Aid:** All accidents at school, on school property, or at a school-sponsored events shall be reported to the principal immediately. Required documentation to be placed on file with the district is the responsibility of the principal.

First aid and CPR may be administered only by those school employees qualified by training approved by the district (completion of an approved Red Cross First Aid program or certification as a school nurse or nurse's aide) and then only in the case of

EHS Student Handbook

2023-2024

emergency. If the accident requires medical treatment, an employee shall send for medical help and keep the injured person comfortable.

At no time are employees to perform medical treatment such as pulling splinters, pulling teeth, administering medication, or providing other medical services without proper credentialing. Non-credentialed employees may only provide comfort treatment as described above to include applying band aids and providing ice packs.

Parents may not authorize non-credentialed employees to perform these functions but are always to be kept informed of the medical needs and complaints of their child(ren). This information is to be recorded in a manner prescribed by the school nursing staff and principal at each building.

Routine non-emergency medical needs necessary for student health and safety that must be completed during the school day shall be administered according to a student health care plan developed by the school nurse with parent input. The district will not assume liability for employees acting outside the scope of their authority.

- **Medicine:** When possible, students should take medication at home. If it is necessary that a medication be taken during school hours, the following regulations will be followed:
 - Medication must be brought to school in the original container with the appropriate label intact. This includes over-the-counter medication such as aspirin, as well as prescriptions. If medication is not properly labeled, it may not be taken.
 - A request for any medication to be taken at school requires a written statement by a parent. All medication, both over the counter and prescription, must be kept in the nurse's office, unless otherwise designated by a physician.
 - The taking of medication will be supervised by the school nurse or a designated person. A record will be kept by school personnel of all medication taken at school. "Permission to take medication at school" forms are available in the office.
 - The school nurse or any other school personnel cannot by state law dispense aspirin or any other type of medication to students without parental approval.
- **Staying Home from School:** This is not an all-inclusive list of possible communicable diseases that may impact the school setting. Please call the school nurse if you have questions.

WHEN SHOULD MY CHILD STAY HOME FROM SCHOOL?
Children should not attend school if they have an illness that prevents them from participating in routine classroom activities. If your child feels too sick to go to school, please keep him/her home.
WHEN YOUR CHILD WILL BE SENT HOME FROM SCHOOL & PROTOCOL

EHS Student Handbook

2023-2024

When a child complains of symptoms related to possible illness, it is the responsibility of the school nurse to note and communicate concerns to parents/guardians. The school nurses are not allowed by law to diagnose specific illnesses, and parents are responsible for picking up their child in a timely manner once they have been notified by the school. If parents are unable to come when notified, it is then the parent's responsibility to make other arrangements and notify the school who will be picking the child up.

- **Student Health Guidelines:** To prevent illnesses from being transmitted at school, the following guidelines will be used to determine when students may be excluded from school and when they may return.

Exclude	Return
Fever	A child may return to school when he/she has been fever free for 24 hours without the use of fever reducing medication.

Meals/Food

- **Cafeteria Regulations:** El Dorado High School has a closed lunch period which requires that all students remain in school during the lunch period. All students will report to the commons with their class during their designated lunch period. Students are to clean up their eating area, dispose of trays, and remain in the Commons until time to return to the classroom with their teacher. Students who find it necessary to leave the Commons during their lunch period, must receive permission from a lunch supervisor.
- **Charging Meals:** A student receives a notice when their account goes below \$5.00. The maximum negative balance allowed is \$5.00. A student must pay for a meal prior to being served or they may bring a sack lunch. Students will be served an alternate entree with their breakfast and / or lunch until outstanding balances are paid or are within the negative \$5.00 limit.

Beginning in the month of May, and for the remainder of the school term each year, no charges of meals will be permitted. Any funds remaining in a student's account at the end of the school term will be credited to that student's account for the following school year. Parents may contact the Food Service manager or the Director of Food Service if special arrangements need to be made.

Second Meals - Students are allowed to use their meal account to purchase a second meal as long as they have a positive balance. Students must pay cash or charge the second meal at the Adult price. Only one lunch and breakfast may be claimed daily per account for state reimbursement.

When a student continues to request a meal, and has no lunch money or sack lunch, the Manager will contact the parent, grandparent or guardian.

Any student that has a negative balance in his/her account may not purchase items from the a la carte selections until the balance is paid in full. Parents may contact the school food service manager or the Director of Food Service if special arrangements need to be made (322-4815).

- **Food Sold in School:** All foods sold in school from midnight before to 30 minutes after the end of the school day must meet USDA Smart Snacks in Schools Standards. This policy applies to all food sold on the school campus at any time during the school day including a la carte in the cafeteria, in school stores, snack bars, vending machines, fundraising and off-site, school-sponsored venues. If concession stands are open during the "midnight before to 30-minute after" rule, food and beverages must meet the Standards. Concession stands open 30 minutes after the end of the school day are NOT affected by these standards.

As long as school faculty workroom vending machines are not accessible to students, they do not have to follow the Smart Snacks rule.

EHS Student Handbook

2023-2024

One exempt fundraiser per school organization per semester that does not meet the Nutrition Standards for All Foods Sold in School during the school day on the school campus is allowed by Kansas State Board of Education regulations. Length of the exempt fundraiser may not exceed two (2) days. An organization is defined as a school group that is approved by the local board of education. Exempted fundraisers may not be sold during school meal service.

Questions about whether a food or beverage meets the Smart Snacks Standards may be addressed to the Director of Food Service. All school-sponsored fundraisers must be approved and monitored for compliance by the building principal.

- **High School Food Service:** Students are issued a meal card (student ID Badge) at the beginning of the school year. They are expected to be responsible for the care and possession of this card through high school. Students, who for whatever reason, do not have their meal card (student ID Badge), or if the card is damaged to the extent it will not properly function in food service accounting equipment, will be required to obtain a replacement ID Badge and pay the required cost for a new badge. If a student does not have a meal card (student ID Badge), he/she will be expected to either bring their lunch or pay full price for the meal. Parents may contact the school food service manager or the Director of Food Service if special arrangements need to be made (322-4815). With approval of the food service manager, special arrangements may include a temporary card to be used only on the main line at mealtime and only for the day of issue.
- **Meal Prices:**
 - Breakfast \$2.35 (\$2.75 adult)
 - Lunch \$3.30 (\$4.10 adult)
 - Extra milk \$0.50 per carton
 - 2nd lunch on a card on the same day = adult price
 - No cash sales are accepted; all monies must be added to student accounts prior to the day of sale.
- **Outside Food:** On the infrequent occasion that a parent needs to bring an outside lunch for a student, it must be delivered during the student's regular lunch time by an adult designated as a contact in PowerSchool. This food must be for the student only and may not be a delivery from a restaurant or delivery service. The food must be brought into the Main Office by the adult. At no time are sunflower seeds allowed in school buildings or district vehicles.

Miscellaneous

- **Counseling Services:** The counseling staff at EHS get to know students early in the ninth-grade year, as each freshman is called in for a conference. During the high school years there often exists a need to discuss present and future educational plans, results of

EHS Student Handbook

2023-2024

various tests, and career options. In addition, students occasionally experience difficulty in interpersonal relationships, self-understanding, or decision-making that might be helped by personal counseling. Students are encouraged to sign-up to see a counselor whenever a need is present.

- **Drop Off Gifts/Deliveries:** This practice is highly discouraged to protect our students and staff. In the few situations where this is absolutely necessary, all allergy free school building practices apply (i.e., latex free environment, etc.). All gifts must be wrapped in transparent film or open gift bags; all items must be clearly visible. In order to honor instructional time, gifts dropped off in the main office will be presented to the student at the end of the school day. EHS staff is not responsible for these belongings and reserves the right to deny acceptance of any gifts and/or deliveries at any time.
- **English for Speakers of Other Languages (ESOL):** The district gives a home language survey to all students when they enroll for the first time in the district. If a language other than English is listed anywhere on the form, the student is assessed for English Language Proficiency using one of the following approved assessments: the KELPA-P, LAS, IPT, or LPTS assessment. If the student scores less than fluent (or whatever the top band of scores is called) on any of the domains of reading, writing, listening, or speaking, s/ he is eligible for ESOL services. This assessment data, along with information on native language ability and past school performance, will be used to set goals for each English Language Learner (ELL).

Parents are notified in the form of a letter that includes the reasons the child is being placed in ESOL, the level of proficiency, the method of instruction that will be used in ESOL, and the parents' rights which include receiving information in the language that is most comfortable to the parent. Parent permission is required for participation in the ESOL program.

Each ELL student has an Individual Learning Plan (ILP) detailing their assessment scores, programs they are placed in, the number of hours of instruction that is provided, the teacher who is delivering the instruction, the end of year assessment results of the Kansas English Language Proficiency Assessment (KELPA), and what should be done next year. Teachers providing instruction to ELLs are endorsed or working on their endorsement.

All students who are identified as limited in their English language proficiency, whether they participate or not in the district's ESOL program, are required to take the Kansas English Language Proficiency Assessment (KELPA) assessment each spring. This test is given as a result of the No Child Left Behind legislation and is used to measure adequate yearly progress of our students' performance. Students must score a "Fluent" on all four domains (listening, speaking, reading, and writing) and the composite on the KELPA for two consecutive years before being allowed to exit the program. After they have done that, the ELL students are monitored for two additional years.

ELL students are observed by classroom teachers, etc. for any indication of regression or not being able to keep up with their peers. Classroom grades, participation in class,

EHS Student Handbook

2023-2024

KELPA results, etc. are examined to determine whether students are continuing to succeed or may need additional ESOL services. If scores on a language assessment indicate that the student(s) are less than “Fluent”, the student may be placed back in the ESOL program.

- **Field Trips:** Parents will be notified by electronic messaging at least 24 hours in advance if students are taking a field trip, either in-town or out-of-town. Parents are encouraged to complete the online permission form at enrollment to avoid completing individual permission slips for each event. Students who are academically ineligible will not be allowed to attend field trips unless approved to attend by an administrator.
- **Hallway Decorations:** All posters, decorations, and flyers to be placed in the school must have administrative approval/signature prior to posting. Posters receiving approval are to be placed on the bulletin boards near each restroom or on the tack strips in hallways. Administration has final discretion regarding all hallway posters-and decorations.
- **Media Center:** Books are checked out for three (3) weeks and back issues of magazines for overnight. Current copies of magazines and newspapers may be used only in the media center. Students are welcome to use the media center school hours on school days. Students are encouraged to take advantage of the availability of the media center by making maximum use of its services. The library staff is available and willing to assist library users as much as possible. Students must make a pass to visit the library.
- **School Dances:** Dances held at the school or sponsored by the school will be governed by the following guidelines:
 - Out of school dates will be allowed for prom and homecomings. All other dances will be for El Dorado High School students only.
 - Out of school dates must be approved by administration and/or the School Resource Officer. EHS students will be held responsible for the behavior of invited guests.
 - Out of school guests must be between the ages of 14 and 20 and be at least a high school freshman. Guests must meet “good standing” requirements. The guests must present a photo ID to be admitted.
 - All school policies will be enforced.
 - EHS students must present their student ID to be admitted.
 - Students and guests leaving the dance will not be readmitted.
 - Students and guests must submit to a breathalyzer test to be admitted to the dance.
- **Student IDs:** Students are given a Student ID at the beginning of the school year. These badges serve as the students’ lunch cards as well as an attendance sign in/sign out card and event entrance. All students are expected to carry their ID badges with them at all times during the school day and have them on their person at school activities. If lost, students are expected to notify the office to request a new one. Cost of the replacement badges will be \$3.00.

EHS Student Handbook

2023-2024

- **Student Incentives:** El Dorado High School students who demonstrate academic, attendance, and behavior success will be allowed extra privileges/rewards. Incentives may include but are not limited to the following:
 - PRIDE Points: Points given out for positive behaviors that may be used as currency in the school store
 - Periodic incentive activities (possibly occurring at lunchtime, during Connections, at end of semester, etc.)

Incentive activities should be considered a reward for demonstrated success, and participation in such activities by eligible students will be optional. It would not be acceptable for an eligible student to choose to leave school rather than participate in an incentive activity. Eligible students who choose not to attend incentive activities are expected to report to a predetermined location. Failure to earn eligibility should not be considered punishment, as student incentives are rewards-based and not disciplinary in nature.

- **Visitors:** Visitors are welcome at EHS. All visitors must check-in at the office upon arrival and check-out prior to leaving the building. Guests may visit teachers or other staff during planning periods only and with prior administration approval. Students desiring to have guests visit classes are to obtain permission from administration prior to the visitation. Should circumstances deem it not appropriate for a guest, the request will be denied. We encourage parents to visit teachers' classrooms. Parents wishing to visit a classroom are to make arrangements at least 24 hours in advance.

ESI shall be used only when a student presents a reasonable and immediate danger of physical harm to such student or others with the present ability to affect physical harm. Less restrictive alternatives to ESI, such as positive behavior interventions support, shall be deemed inappropriate or ineffective under the circumstances by the school employee witnessing the student’s behavior prior to the use of any ESI. The use of ESI shall cease as soon as the immediate danger of physical harm ceases to exist. Violent action that is destructive of property may necessitate the use of an ESI. Use of an ESI for purposes of discipline, punishment, or for the convenience of a school employee shall not meet the standard of immediate danger of physical harm.

ESI Restrictions

A student shall not be subjected to ESI if the student is known to have a medical condition that could put the student in mental or physical danger as a result of ESI. The existence of such medical condition shall be indicated in a written statement from the student’s licensed health care provider, a copy of which has been provided to the school and placed in the student’s file.

EHS Student Handbook

2023-2024

Such written statement shall include an explanation of the student's diagnosis, a list of any reasons why ESI would put the student in mental or physical danger, and any suggested alternatives to ESI. In spite of the provisions of this subsection, a student may be subjected to ESI if not subjecting the student to ESI would result in significant physical harm to the student or others.

Use of Seclusion

When a student is placed in seclusion, a school employee shall see and hear the student at all times. The presence of another person in the area of purposeful isolation or observing the student from outside the area of purposeful isolation shall not create an exemption from otherwise reporting the incident as seclusion. When a student is placed in or otherwise directed to an area of purposeful isolation, the student shall have reason to believe that the student is prevented from leaving.

If the area of purposeful isolation is equipped with a locking door designed to prevent a student from leaving the area of purposeful isolation, the door shall be designed to ensure that the lock automatically disengages when the school employee viewing the student walks away from the area of purposeful isolation, or in case of emergency, such as fire or severe weather.

An area of purposeful isolation shall be a safe place with proportional and similar characteristics as those of rooms where students frequent. Such area shall be free of any condition that could be a danger to the student, well-ventilated, and sufficiently lighted.

Training

All staff members shall be trained regarding the use of positive behavioral intervention strategies, de-escalation techniques, and prevention techniques. Such training shall be consistent with nationally recognized training programs on ESI. The intensity of the training provided will depend upon the employee's position. Administrators, licensed staff members, and other staff deemed most likely to need to restrain a student will be provided more intense training than staff who do not work directly with students in the classroom. District and building administration shall make the determination of the intensity of training required by each position.

Each school building shall maintain written or electronic documentation regarding the training that was provided and a list of participants, which shall be made available for inspection by the state board of education upon request.

Notification and Documentation

The principal or designee shall notify the parent the same day as an incident. The same-day notification requirement of this subsection shall be deemed satisfied if the school attempts at least two methods of contacting the parent. A parent may designate a preferred method of contact to receive the same-day notification.

EHS Student Handbook

2023-2024

Also, a parent may agree, in writing, to receive only one same-day notification from the school for multiple incidents occurring on the same day.

Documentation of the ESI used shall be completed and provided to the student's parents no later than the school day following the day of the incident. Such written documentation shall include:

- A. The events leading up to the incident;
- B. student behaviors that necessitated the ESI;
- C. steps taken to transition the student back into the educational setting;
- D. the date and time the incident occurred, the type of ESI used, the duration of the ESI, and the school personnel who used or supervised the ESI;
- E. space or an additional form for parents to provide feedback or comments to the school regarding the incident;
- F. a statement that invites and strongly encourages parents to schedule a meeting to discuss the incident and how to prevent future incidents; and
- G. email and phone information for the parent to contact the school to schedule the ESI meeting. Schools may group incidents together when documenting the items in subparagraphs (A), (B) and (C) if the triggering issue necessitating the ESIs is the same.

The parent shall be provided the following information after the first and each subsequent incident during each school year:

- A copy of this policy which indicates when ESI can be used;
- a flyer on the parent's rights;
- information on the parent's right to file a complaint through the local dispute resolution process (which is set forth in this policy) and the complaint process of the state board of education; and
- information that will assist the parent in navigating the complaint process, including contact information for Families Together and the Disability Rights Center of Kansas.

Upon the first occurrence of an incident of ESI, the foregoing information shall be provided in printed form or, upon the parent's written request, by email. Upon the occurrence of a second or subsequent incident, the parent shall be provided with a full and direct website address containing such information.

Law Enforcement, School Resource, and Campus Security Officers

Campus police officers and school resource officers shall be exempt from the requirements of this policy when engaged in an activity that has a legitimate law enforcement purpose. School security officers shall not be exempt from the requirements of this policy.

EHS Student Handbook

2023-2024

If a school is aware that a law enforcement officer or school resource officer has used seclusion, physical restraint, or mechanical restraint on a student, the school shall notify the parent the same day using the parent's preferred method of contact. A school shall not be required to provide written documentation to a parent, as set forth above, regarding law enforcement use of an emergency safety intervention, or report to the state department of education any law enforcement use of an emergency safety intervention. For purposes of this subsection, mechanical restraint includes, but is not limited to, the use of handcuffs.

Documentation of ESI Incidents

Except as specified above with regard to law enforcement or school resource officer use of emergency safety interventions, each building shall maintain documentation any time ESI is used with a student. The documentation shall include all of the following:

- Date and time of the ESI,
- Type of ESI,
- Length of time the ESI was used,
- School personnel who participated in or supervised the ESI,
- Whether the student had an individualized education program at the time of the incident,
- Whether the student had a section 504 plan at the time of the incident, and
- Whether the student had a behavior intervention plan at the time of the incident.

All such documentation shall be provided to the building principal, who shall be responsible for providing copies of such documentation to the superintendent or the superintendent's designee on at least a biannual basis. At least once per school year, each building principal or designee shall review the documentation of ESI incidents with appropriate staff members to consider the appropriateness of the use of ESI in those instances.

Reporting Data

District administration shall report ESI data to the state department of education as required.

Parent Right to Meeting on ESI Use

After each incident, a parent may request a meeting with the school to discuss and debrief the incident. A parent may request such meeting verbally, in writing, or by electronic means. A school shall hold a meeting requested under this subsection within 10 school days of the parent's request. The focus of any such meeting shall be to discuss proactive ways to prevent the need for emergency safety interventions and to reduce incidents in the future.

For a student with an IEP or a Section 504 plan, such student's IEP team or Section 504 plan team shall discuss the incident and consider the need to conduct a functional behavioral assessment, develop a behavior intervention plan, or amend the behavior intervention plan if already in existence.

EHS Student Handbook

2023-2024

For a student with a section 504 plan, such student's section 504 plan team shall discuss and consider the need for a special education evaluation. For students who have an individualized education program and are placed in a private school by a parent, a meeting called under this subsection shall include the parent and the private school, who shall consider whether the parent should request an individualized education program team meeting. If the parent requests an individualized education program team meeting, the private school shall help facilitate such meeting.

For a student without an IEP or Section 504 plan, the school staff and the parent shall discuss the incident and consider the appropriateness of a referral for a special education evaluation, the need for a functional behavioral assessment, or the need for a behavior intervention plan. Any such meeting shall include the student's parent, a school administrator for the school the student attends, one of the student's teachers, a school employee involved in the incident, and any other school employees designated by the school administrator as appropriate for such meeting.

The student who is the subject of such meetings shall be invited to attend the meeting at the discretion of the parent. The time for calling such a meeting may be extended beyond the 10-day limit if the parent of the student is unable to attend within that time period. Nothing in this section shall be construed to prohibit the development and implementation of a functional behavior assessment or a behavior intervention plan for any student if such student would benefit from such measures.

Local Dispute Resolution Process

If a parent believes that an emergency safety intervention has been used on the parent's child in violation of state law or board policy, the parent may file a complaint as specified below.

The board of education encourages parents to attempt to resolve issues relating to the use of ESI informally with the building principal and/or the superintendent before filing a formal complaint with the board. Once an informal complaint is received, the administrator handling such complaint shall investigate such matter, as deemed appropriate by the administrator. In the event that the complaint is resolved informally, the administrator must provide a written report of the informal resolution to the superintendent and the parents and retain a copy of the report at the school. The superintendent will share the informal resolution with the board of education and provide a copy to the state department of education.

If the issues are not resolved informally with the building principal and/or the superintendent, the parents may submit a formal written complaint to the board of education by providing a copy of the complaint to the clerk of the board and the superintendent within thirty (30) days after the parent is informed of the incident.

EHS Student Handbook

2023-2024

Upon receipt of a formal written complaint, the board president shall assign an investigator to review the complaint and report findings to the board as a whole. Such investigator may be a board member, a school administrator selected by the board, or a board attorney. Such investigator shall be informed of the obligation to maintain confidentiality of student records and shall report the findings of fact and recommended corrective action, if any, to the board in executive session.

Any such investigation must be completed within thirty (30) days of receipt of the formal written complaint by the board clerk and superintendent. On or before the 30th day after receipt of the written complaint, the board shall adopt written findings of fact and, if necessary, appropriate corrective action. A copy of the written findings of fact and any corrective action adopted by the board shall only be provided to the parents, the school, and the state department of education and shall be mailed to the parents and the state department within 30 days of the board's receipt of the formal complaint.

If desired, a parent may file a complaint under the state board of education administrative review process within thirty (30) days from the date a final decision is issued pursuant to the local dispute resolution process.

- **Family Educational Rights and Privacy Act:** Under the provisions of the Family Educational Rights and Privacy Act (FERPA), parents of students and eligible students (those who are 18 or older) are afforded various rights with regard to educational records which are kept and maintained by USD 490. In accordance with FERPA, you are required to be notified of those rights which include:
 1. The right to review and inspect all of your educational records except those which are specifically exempt. Records will be available within 45 days of the day the district receives a request for access. Requests to inspect records are to be made at the school of attendance.
 2. The right to prevent disclosure of personally identifiable information contained in your educational records to other persons with certain limited expectations. Disclosure of information from your educational records to other persons will occur only if:
 - a. the district has your prior written consent for disclosure;
 - b. the information is considered "directory information" and you have not objected to the release of such information; or
 - c. disclosure without your prior consent is permitted by law. Including:
 1. The district may disclose, without your consent, personally identifiable information to school officials with a legitimate educational interest.

EHS Student Handbook

2023-2024

2. The district may disclose, without your consent, education records to officials of another district in which a student seeks to enroll or intends to enroll.
3. The right to request that your educational records be amended if you believe the records are misleading, inaccurate, or otherwise in violation of your rights. This includes the right to request a hearing at which you may present evidence to show why the record should be changed if your request for an amendment to your records is denied in the first instance.
4. The right to file a complaint with the Family Policy Compliance Office at the U.S. Department of Education if you believe that USD 490 has failed to comply with FERPA's requirements. The address of this office is 400 Maryland Avenue SW, Washington, D.C. 20202-4605.
5. The right to obtain a copy of USD 490 policies for complying with FERPA. A copy may be obtained from the USD 490 Administrative Office, 124 West Central, El Dorado, KS, 67042.

- **Safe Routes to School Policy:**

- Traffic Safety Education – The District supports the provision of traffic safety education and training on active transportation skills to all students and teachers.
- Walk to School Day and Other Promotional Activities – The District supports events that encourage students to engage in active transportation to and from school and that promote active, healthy lifestyles for the community at large. Events may include Walk to School Days, Bike to School Days and School Walk-a-Thons.
- Enforcement - On an annual basis, the District shall assess (i) whether this Policy is being fully implemented,
- (ii) how to improve implementation; and (iii) what amendments are needed to improve the Policy's success. The district shall prepare a report detailing its findings and proposals to enact any necessary amendments. The report shall be made available to the public.
- The district shall further provide this Policy to El Dorado's Public Safety/Police Department. District shall partner with Public Safety/Police Department personnel to ensure that they (i) understand the details of this Policy, (ii) provide rigorous traffic safety enforcement in the vicinity of schools, especially during arrival and dismissal times, and (iii) understand the rights and responsibilities of those engaging in active transportation.
- Incorporation into Student and Parent Handbooks - All schools shall incorporate this Safe Routes to School Policy into their Student and Parent Handbooks.
- Incorporation into School Wellness Policy - This Safe Routes to School Policy is hereby incorporated into District's School Wellness Policy. District shall ensure that the School Wellness Policy reflects this addition.
- Limiting Restrictions on Active Transportation – The District acknowledges that the choice of which mode of transportation to use when traveling to and

EHS Student Handbook

2023-2024

from school rests with students and/or their families, rather than with District or individual schools. Accordingly, the District shall prohibit individual schools from restricting any mode of active transportation used to travel to and from school. Notwithstanding the foregoing, where unusual traffic or other dangers make active transportation exceptionally unsafe, individual schools can discourage, but not prohibit, students from engaging in active transportation to and from school.

- Student Arrival and Dismissal – The District recognizes that ensuring student safety is especially critical during student arrival and dismissal times due to (i) increased automobile and bus traffic volume, and (ii) the potential for conflicts between different modes of transportation, which creates particular danger for those engaging in active transportation. Accordingly, the District requires individual schools to improve the safety of all modes of transportation during these time periods by separating active transportation from other forms of transportation as much as possible. Potential options include: establishing remote drop-off locations, car-free zones, single lanes for drop-offs and pick-ups, and early dismissal for active transporters.
- School Travel Plan: Moving Beyond the Bus – The District requires that each school adopt a School Travel Plan that addresses all modes of active transportation and related safety, access, and parking issues. The plans shall also include goals, strategies, and objectives for increasing active transportation among students and staff, including those with disabilities. At a minimum, the School Travel Plan shall contain a map identifying the school, streets surrounding the school, existing traffic controls, established pedestrian and bicycle routes, pedestrian crossings, school and municipal bus routes and bus stops, and any other infrastructure or plans that facilitate routes which separate active commuters from motor vehicles, with the goal of minimizing risk of injury and maximizing the safety and convenience of active transportation.

- **Social Media:**

- El Dorado Public Schools recognizes the potential to connect staff, students, parents and the community through social media. This communication tool can also impact the organization's professional reputation. Social media presence is a resume to parents and the public and should be professional and set high standards as school employees are role models for students. Staff shall therefore refrain from posting items with sexual content, exhibiting or advocating the use of drugs, alcohol, or tobacco products. You are responsible for the content that you post.
- The following guidelines are intended to protect district employees as well as students.
 - **Maintain Professional Boundaries:** USD 490 discourages teachers, administration or other staff members from 'friending' active students on personal social media accounts (Facebook, Twitter, Instagram, Snap Chat, etc.). The District does ask staff to utilize their teacher webpage, Google

EHS Student Handbook

2023-2024

Classroom, ClassDojo, etc. or a separate classroom or club account for educational purposes.

- **Continuity of Social Media Pages:** When a social media classroom/club account is created, it must be approved through building administration, and the account should be set up using the school group name and with a school-issued email, not a personal email or name. It is required that all social media accounts that represent district or school-sponsored organizations, activities, or groups must be registered with the District Office at the creation date of the account. School activity accounts created or maintained by students must have a staff sponsor and follow all of the same approval and documentation guidelines outlined above. No individual Facebook pages or groups will be allowed. There is one Facebook group for each school and all school Facebook activity should be done in the school's group. These are public groups but only staff members will have the ability to post into the group. The public can comment on the posts, but not create posts themselves.
- **Protect Confidential Information:** Do not disclose confidential information about students, parents, or employees as specified in the Federal Educational Right to Privacy Act (FERPA), Health Insurance Provider Protection Act (HIPPA), or other relevant legal guidelines. You may not discuss aspects of a student's education record, which includes grades, classroom performance, or behavior on social media platforms. Unless "opted out," directory information including student name, grade level, and school can be shared, which includes posting on school and district websites. However, be cautious about identifying students by their full name or sharing information that could jeopardize their safety. Special education students cannot be identified as such on any online platform. Blurring a student's face, or placing an emoji over the student's face in order to post a photo on social media, is not appropriate. If a student can't be photographed, don't take their picture. Also, be mindful of copyright or intellectual property rights of others.

EHS EXTEND CAMPUS ADDENDUM 2023-2024

EHS Student Handbook

2023-2024

****Unless specified below, all previous EHS Student Handbook Policies also apply to Extend Campus students.****

MISSION STATEMENT

The El Dorado High School Extend Campus provides another flexible learning option for students in grades 9-12.

It is available to residents of USD #490 as appropriate and by application process. A flexible learning environment is not the appropriate educational setting for every student. It is important to consider your student's needs and learning style to determine appropriateness of this program. Teachers and counselors are available to assist in making this determination.

The Extend Campus provides an individually developed schedule to ensure all lessons in each course are presented within one academic school term. Consistent lesson progression is expected, and progress data is used to evaluate student progress and learning. It is essential parents/guardians understand upon their student's enrollment at Extend Campus, parents/guardians also agree to participate in the program as designed.

APPLYING TO EXTEND

Each semester, students can apply to be considered for Extend. Applications can be made at <https://www.usd490.org/o/ehs/page/extend-campus>. Families will be contacted to set up an interview with the Extend staff. Once accepted to Extend, students continue with this placement until either the student/family choose to return to Main Campus or the student is not being successful at Extend. If this is the case, a meeting will be scheduled with the student/family to determine if Extend is the best environment for student success. Extend enrollment is limited, so if students are not being successful, plans to return to Main Campus will be discussed to open spots for other students.

CAMPUS ENROLLMENT

1. Students may not be enrolled in any other public school while enrolled in USD #490. After being accepted and course work has begun, the student is expected to complete the full school term in the program.
2. All students interested in transitioning to Extend Campus must complete an application and participate in the interview process.
3. Enrollment decisions will be based on student progress, student need, available space, and additional factors as determined by administration.
4. Parents/guardians will be asked to participate in all enrollment processes with their students.
5. Student enrollment in Extend Campus will be reevaluated at the end of each semester.
6. Continuing students will not need to repeat the enrollment process.

CAMPUS REQUIREMENTS

Extend Campus operates outside the traditional classroom, but Extend students are expected to achieve adequate weekly progress. Students will also be expected to take

EHS Student Handbook

2023-2024

tests mandated by the State of Kansas and the USD 490 School District. Enrollment at Extend Campus is contingent on the approval of the administration.

Additional program requirements include the following:

1. There will be mandatory attendance days when students are required to attend classes at El Dorado Extend Campus. There will be two scheduled count days at the beginning of each semester and approximately two days for state assessments in the spring. Mandatory attendance days are required at the start of each semester to help students transition to the Extend Campus. Students are expected to stay for the entire count day.
2. Movement between Extend Campus and the Main Campus during a semester will be allowed only for unusual conditions and require approval from the administration.
3. Adherence to the Extend Campus Addendum, EHS student handbook, and USD 490 board policy is strictly enforced.

CURRICULUM

The curriculum is designed to meet or exceed State of Kansas College and Career Ready curriculum standards and a licensed teacher for each course is assigned to each student.

Students may enroll in a variety of courses at Extend Campus, however, not all EHS courses are offered in this setting. Students may take additional courses to recover credits or work towards early graduation. All course enrollments require administration approval.

GRADES

Course credits are earned when a student has completed the course. Extend operates on a four-by-four schedule with students earning a half credit in a course in a nine-week period. However, posting to the student's official transcript will be done at the end of each semester. Credits will be shown on first and second semester report cards. Eligibility for Extend students will follow the El Dorado High School practice with an additional grade check after each nine-week grading period.

EHS Student Handbook

2023-2024

Students will be required to complete necessary hours on campus each week. For sophomore, junior, and senior students, one full 6.5-hour day of attendance per week is required at Extend Campus each week. For freshman students, two full 6.5-hour days of attendance each week is required. This Full day assignments are determined at the beginning of the semester, and changes must be approved by Extend staff.

Students may arrive at Extend between 7:45 – 8:15 am each morning. Students arriving after 8:15 am will be marked as tardy. Students will be required to serve an additional full day for every three accumulated tardies. attendance will be taken during morning hours (7:45 am-11:25 am) and during afternoon hours (11:25 am-3:05 pm).

While in attendance, students will be expected to make adequate progress in their enrolled courses to earn instructor signatures each day. Signature checks will occur periodically throughout the day to ensure adequate course progress. If progress is not being made, students may be sent home with possible disciplinary action.

The student's school day concludes when all instructor signatures have been acquired and/or when a full 6.5-hour day of attendance is complete. If adequate progress towards graduation is not maintained, the student's flex schedule may be altered by administration to provide additional academic supports.

STATE AUDIT

Audits of mandatory student attendance are conducted in September to determine program funding. Failure to fully participate by the designated date may result in automatic forfeit of Extend Campus enrollment.

SPECIAL EDUCATION / SECTION 504 PLANS

The EHS Extend Campus accepts enrollment from students who are identified as Special Education or Section 504 eligible. Students with either an IEP or a 504 plan must meet the enrollment requirements for the Extend Campus. When a student enrolls with current Special Education eligibility and a current Individualized Education Plan (IEP), Extend Campus staff will be provided with a copy of the IEP or 504 plan. The case manager will provide a copy of the IEP and/or 504 plan to instructors. The IEP team will determine if Extend Campus enrollment is an appropriate delivery model.

Mission: Every day with excellence!
