**OUR MISSION STATEMENT**

**PROMOTING  
 EXCELLENCE**

# Alumni Association turns 40!

**670** persons attended the homecoming dinner and EHS class reunions on Friday evening, July 2, during the Estelline Centennial and Homecoming Celebration on July 2-4, 1982. Former students, their spouses, teachers, and friends, came from 33 states, D.C., Canada, Germany and 42 towns in South Dakota. Bessie (Eisnach) Dokken came from Long Beach, CA and represented the Class of 1907...and that was the beginning of the Estelline Alumni Association. The above information was taken from the very first newsletter of the association. The idea for this organization and funding for postage and printing came from the late James Meaghan (1928). Now here we are, 40 years later!

It was my class reunion, and all through the house,  
 I checked in each mirror and begged my poor spouse.  
 To say I looked great, that my chin wasn't double,  
 And he lied through false teeth, just to stay out of trouble.  
 Said that 'neath my thick glasses, my eyes hadn't changed,  
 And I had the same figure, it was just a mite rearranged.  
 He said my skin was still silky, although looser in drape,  
 Not so much like smooth satin, but more like silk crepe.  
 I swallowed his words hook, sinker, and line  
 And entered the banquet feeling just fine.  
 Somehow I'd expected my classmates to stay  
 As young as they were on that long ago day.  
 We'd hugged farewell hugs, But like me through the years,  
 They'd added gray to their hair, or pounds to their rears.  
 But as we shared a few memories and retold some class jokes,  
 We were eighteen in spirit, though we looked like our folks.  
 We turned up hearing aid volumes and dimmed down the light,  
 Rolled back the years, and were young for the night.

# Hollenbeck named Honorary Referee

Kristy (Brown) Hollenbeck was born and raised in Chadron, Nebraska. Her immediate family consisted of her parents, Bill and Isabelle Brown, and two older sisters, Barbara and Karen. She grew up watching and learning football from her father and also watching and learning baseball from her mother. Her oldest sister, Barb, was a cheerleader so she saw many Chadron High Cardinal boys football games and basketball games from the stands, sitting with her parents. Girls did not have teams and did not play games. Title IX was not passed until around 1974.

Kristy began her track experience as a Chadron High Cardinal in the spring of 1975, sprinting and long jumping. She completed her high school career with two school records: 16'8" in the long jump and 62.00 in the 440 yard dash. She earned a third place medal in the Class B Girls 4x440 at the Nebraska State Meet.

Ms. Hollenbeck attended Chadron State College (CSC) in her hometown and became an Eagle. While earning a degree in biology, then adding minors in earth science and physical education, Kristy

earned Varsity letters in both basketball and softball. She was sidelined by injury which stopped her athletic career.

In the spring of her junior year at CSC, a friend introduced her to Margie Ann Smith, head women's track coach at CSC. Ms. Hollenbeck decided give track and field a try. She spent the next three seasons as a member of the women's team. She enjoyed success, travel, and building relationships with coaches and teammates, both male and female. Her track and field coaching began there, helping younger athletes learn starting drills and exchange techniques that coaches expected. When Ms. Hollenbeck returned to CSC to work on her Master's degree, she continued as an assistant on the Eagle Track Team.

Over the 32 years of her career as a science teacher, Ms. Hollenbeck spent 29 of them coaching track and field. Kristy has also had the privilege of being able to teach and coach her own three children, Leigh (2007), Kyle (2010), and Shanie (2016), all graduates of Estelline High School.

**Kristy Hollenbeck, retired science teacher/coach at EHS, was named the Honorary Referee of the Pat Gilligan/ Alumni Track Meet held April 26 this year.**
