August 2023

Dear HOMS Families and Partners,
We believe that recognizing students who demonstrate the Positive Behavior & Intervention System (PBIS) SHARK expectations of Self-control, Honesty, Accountability, Respect and Kindness is an important part of building a positive school climate. One way that students are recognized for good character is by receiving "SHARK bites" from school staff. SHARK bites can be used to earn privileges, items, or activities.

This year, we would like to provide students with some exciting rewards, and by supporting this innovative and positive program, YOU can make this possible!

Specific goals to fund:

- Inventory for the school-lead bookstore, such as fun school supplies and other small items that SHARK bites can be used to purchase
- Prizes for monthly drawings, such as gift certificates for students and teachers
- Educational materials to support good character
- Social experiences including time with friends and refreshments

If you have any questions, or you would like to donate specific PBIS item giveaways, please contact Stephanie Seni at: (772) 219-1655 or senis@martinschools.org

**Please make checks payable to: Hidden Oaks Middle School/PBIS
(ALL CONTRIBUTIONS ARE TAX DEDUCTIBLE)**

Business/Family Name _____

Phone Number: _____ Email: _____

Please check one and enclose with your donation:

- _____ Great White Club Member Donation (\$25.00)
