

2023-24 Course Requests

Students and Parents,

We are asking that you take the time to double-check your course requests for the 2023-24 school year to ensure that they are accurate and up to date.

In order to check your requests, you must:

1. Log in to Focus
2. Click on Class Requests
3. Switch to 2023-24 school year
4. Verify Class Requests
 1. The class requests shown are in alphabetical order
 2. Neither class period nor teachers have been assigned at this time.
 3. Alternate classes have a number (2,3,4...9) under the Elective Priority Column

Some quick course updates:

1. Psychology 1 and 2 will be offered next year. Please add it to your requests if you are looking for a psychology class that is not AP.
2. Intensive Reading classes have been added to course requests based on 2022-23 PM3 reading scores.
3. Pre-calculus will only be offered at the AP level.

If you are wanting to change any of your course requests for next year, please complete this google form: [2023-24 JBHS Course Request Change Form](#)

*Students must have 7 course requests (including specifying periods for off-blocks if applicable). Only 11th and 12th grade students are eligible for off-blocks.

*Course level placements were determined based on student academic performance and student/parent/teacher/counselor input on the registration sheets. Requests for level change need to be emailed to the Guidance Counselor from a parent.

*Students taking Dual Enrollment in the Fall must register with IRSC.

*Course Request Change form will be accepted until Friday, June 2nd.

*Graduation requirements, program requirements, and academic supports may impact your requested change(s).

*Teacher requests will not be honored.
