IMPORTANT REGISTRATION PAYMENT INFORMATION

All registration fees are due before the first day of school.

Payments can be made at any of the school offices, the District office, by mail and online at www.mymealtime.com. There is a nominal fee for using the online fee payment option, which will be itemized before submitting your transaction. The financial institution processing the payment retains the fee. The District does not have access to the card information or benefit from the fee.

Payment plans are available, however the balance must be paid in full by December 1st of that registration year.

Unpaid fees will result in denied access to PowerSchool, and balances will be turned over to the District's collection agent.

In the case of driver's education and KEC, students may be withdrawn for non-payment of those fees. Participation in extra-curricular activities may also be restricted.
