**Dr. McGarry’s Ponderings, Thoughts, and Reflections**

Bellevue Community Schools is looking into additional ways to serve the community. We are exploring the possibility of offering before school care from 6:00- 7:45 am Monday through Friday at the Bellevue Elementary School starting in August. There would be a small cost for this service, and it would support four year olds through twelve year olds.

The survey is determining interest and if we have enough students each day to cover the operating cost of morning care.

If you might be interested please take the [Bellevue Daycare Survey– Before School Care](#) survey.

Go Broncos!
