District Highlight

On Friday, February 24th, our 6th grade students made the journey over to the JR/SR high school for their first introduction to what the world of junior high will look like next year. The students spent the afternoon learning about the many differences they will encounter in the 2023/2024 school year.

Students were greeted by principal Mr. Mitchell and learned of our fundamental expectations. Students then had an opportunity to talk with Ms. Redmer and ask questions about classes, schedules and extracurricular activities. They also took time to chat with our athletic director about the many sports options that are available. At the end of the afternoon we enjoyed a few debriefing activities and the students found out what it is like to be dismissed from the JR/SR high school at the end of the day.

Their behavior was wonderful and our JR/SR high staff is looking forward to having them in the building more often later this spring. Keep an eye out for an upcoming 6th grade/8th grade switch day!

Mrs. Briana Miller
