Bellevue Community Schools
Title I Information

What is Title I? Title I is a federal program that gives money to schools to support extra classes and programs to improve learning, especially in reading and math.

As a Title I school families have the **right to know** staff qualifications and certifications and student progress in the class (Skyward).

District Highlights
<p>Between April and May, students in school take three big tests: the MSTEP, SAT, and NWEA. The State of Michigan says we have to take the first two, and the last one is a test that helps us know how much students are learning. These tests help teachers and schools understand how well we’re helping students in kindergarten through 12th grade. Tests can be challenging, but there are things parents can do to help your child prepare. Make sure they attend school regularly, get enough sleep, and eat a healthy breakfast on test days. We know our students work hard every day in school. Please help students take these tests seriously. I am excited to celebrate our students successes!</p> <p>Go Broncos!</p> <p>Dr. Mark mcgarrym@bellevue-schools.com</p>
