Exciting news! While June 2 marks the end of our regular school year, we're thrilled to announce the Bronco Summer School, a fantastic opportunity for all students! Get ready for an amazing summer of learning and growth.

The summer program will consist of two sessions, ensuring an enriching experience for students of all grade levels. Session 1, from June 5 to June 29, will be held at the Jr/Sr High, running from 8:30 am to 12:30 pm, Monday through Thursday. This session is open to students in grades K-12. Our incredible partners at Graduation Alliance will support the program through online learning, while our dedicated staff will provide personalized assistance to students whenever needed. For students in grades K-8, these courses will serve as valuable review sessions. Meanwhile, students in grades 9-12 will have the opportunity to earn credit for courses they may have missed in the past.

Session 2 is designed specifically for our K-5 students, will be held at the elementary, and run from June 19 to July 26, with classes taking place from 8:40 am to 12:40 pm, Monday through Thursday. We will have a one-week break during the week of July 3, allowing everyone to recharge and enjoy the 4th of July week.

To make things even more convenient for families, we will provide busing services, ensuring that transportation is not a barrier to participation. Additionally, lunch will be provided for all students from Monday to Thursday, ensuring they stay fueled and ready to learn.

Don't miss out on this wonderful opportunity! If you're interested in joining us for the Bronco Summer School, please fill out a registration form by Friday, May 26. Completed forms can be dropped off at either school. We can't wait to embark on this incredible learning journey with you!
