

Greene County Community School District Strategic Priorities

The Greene County
in partnership with its
lifelong learners through

Community School District,
communities, will promote
real-world experiences.

Academic Excellence

All students show
growth throughout
their educational
experience

Increase positive
student perception of
school

Prepare successful
graduates beyond
high school

Recruit and Retain Quality Staff

Maximize each staff
member's potential

Market the district to
attract the best staff
possible

Prioritize
social-emotional
learning for all staff

Quality evaluation &
feedback

Resource Management

Ensure fiscal
responsibility for the
future

Provide safe, excellent
facilities for all
programs and activities

Ensure appropriate
staffing to meet
enrollment needs

Community Relations

Positive, consistent,
and timely
communication to all
constituents

Promotion and clarity
of the Career Academy
at Greene County
