

Hello Limestone Walters families!!!

The "Community Build Date" for our new playground equipment is set for July 8 from 7am - 3pm.

**There is no way this can be accomplished without help from several of our LW family members!!**

Any experience level is needed! Do not be discouraged from volunteering if you have little or no experience with tools--- no experience is necessary and there will be many jobs available!

Please see the sign-up below and consider helping out. The full day has been divided into two 4-hour time slots. If you can help for the whole day, please sign up for both slots. If you can't commit to a full 4 hours, please still sign up for the corresponding time and just leave a note in the comments. The school will provide lunch and drinks. If you have any of the listed tools (below), please bring them. Label them with your name so that they can be returned to you if left at the site.

**SIGN-UP:**

<https://www.signupgenius.com/go/8050A4AAAAD23A1F94-lwplayground>

**TOOLS NEEDED:**

- Portable shade (for breaks/lunch)
- Laser level
- Crow and pry bars
