"That Crafty Old First Amendment"

I personally do not have much of a digital presence, however, I don't have my head in the sand either. We live in a 24/7 digital world. It continues to baffle me though when I see things online that are either unverified or flat out false information. Once it's out there though it's often taken as a solid truth. What is interesting is that there is this little-known thing called the First Amendment to the U. S. Constitution. Maybe you've heard about it? Turns out that the U. S. Supreme Court has held that just because someone says something that offends me, or hurts my feeling's does not mean that it is not protected by the First Amendment. Go figure!

EMERGENCY CARDS

Each year you are asked to fill out emergency cards for your child. Please make sure that the information is accurate and kept up to date. If you change jobs, or have a new phone number please call the school office so the changes can be made on the cards. We also need a name and number of someone who can make decisions about your child in case we are unable to reach you. We refer to these cards very often and your cooperation is greatly appreciated.

Title I/Reading Lab Open House

There will be a Title I/Reading Lab Open House for families of K-4 students on Tuesday, September 18, from 4:00-4:45 pm, right before the BRES cookout.

Please take a few minutes to stop by the Reading Lab, meet the staff, and learn more about how they may be working with your child this year to provide literacy support. Then help yourself to free gently-used books, help-at-home tips, and simple games to play at home.
