

Welcome Back to School!

Below you will find some Important Information for Parents and Students about School Lunch!

For school breakfast and lunch to be considered a reimbursable meal, students must pick 3 of the offered components at breakfast and 3 of the offered components at lunch! **One of the components must be a fruit or vegetable!** If students do not get a fruit or vegetable on their tray, they will be charged a la carte pricing individually for each item chosen.

*If your student qualifies for free/reduced lunch, make sure they know to take all
3 components to be charged correctly!*
