

## **SCHOOL IMPROVEMENT - ASCIP PLAN**

(b) (1) Beginning on May 1, 2018, and by May 1 annually thereafter, a public school shall submit to its public school district a school-level improvement plan for approval by the public school district and public school district board of directors for implementation in the following school year. (2) School-level improvement plans shall be posted on the public school district's website by August 1 of each year.
