**Entering your Senior year?
Trying to figure out your college and career path?**

Spend two days at Columbia-Greene Community College and connect with local business professionals and college faculty. Find out how to get started in Health, Business, Automotive or Fiber Optics Careers!

Bootcamp participants will:

- match their interests to college majors and local careers
- meet local entrepreneurs and hear their stories
- tour the college facilities and meet college staff
- participate in workplace communication activities
- use the college's tech labs

To participate in the College and Careers Bootcamp, you just need to:

- Start your senior year in Fall 2022
- Have a 75-or-over grade point average

For more information, contact Kelly Ann Radzik, Program Coordinator: intern.jobs@sunycgcc.edu or use this link to attend an online information session: <https://forms.gle/3TutmH55wfAVqtuv9>

This program is presented by Columbia County Economic Development in partnership with: *Greene Economic Development and the Columbia and Greene County Chambers of Commerce.*
