

# COLLEGE IN THE HIGH SCHOOL

AT COLUMBIA-GREENE COMMUNITY COLLEGE

July 11 - August 18, 2022

## GO BEYOND

**The College in the High School program at C-GCC provides area students the opportunity to earn college credit while still in high school. Summer session offerings include business, economics, English, psychology, marketing, sociology, and more!**

Academically eligible high school students may enroll now in online college courses at one-third the regular cost per credit. For Summer 2022 the cost of a College in the High School courses is: 1 credit = \$69, 3 credits = \$207, 4 credits = \$276. Contact your Guidance Office now for an application!

C-GCC's College in the High School program has adopted the standards established by the National Alliance of Concurrent Enrollment Partnerships (NACEP), a nationwide organization with established programmatic standards indicative of quality concurrent enrollment programs.
