

Fayetteville Families!

Prior school year meal benefits are set to expire on September 24, 2018

All families who have not submitted a meal benefit application or been notified of their approval for this school year by this date will transition to paying full price for meals

APPLY TODAY! We offer paper AND online applications! Pick up an application at your school's office or apply online at www.myschoolapps.com

The advertisement features the Fayetteville Public Schools logo (FPS) and the MySchoolApps logo. It includes the slogan "MAKE MEAL PAYMENTS WHEREVER YOU GO" and icons for the App Store and Google Play. The main text reads "Apply for Free & Reduced Meal Benefits Online!" followed by three bullet points: "Available anywhere", "Easy to use", and "Private & secure". A blue button at the bottom says "Visit MySchoolApps.com to Apply Today!". On the right, a laptop displays the MySchoolApps website interface, which includes the heading "Apply For School Meal Benefits The Easy Way" and a search bar for school districts.

Applying online is the quickest way to apply for meal benefits. It's secure and "green", too!
