## To the Pulaski County School Board <br> County of Pulaski, Virginia

## Report on the Audit of the Financial Statement

## Opinion

We have audited the accompanying statement of cash receipts and disbursements of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2022, and the related notes to the financial statement.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash receipts and disbursements of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2022, in accordance with the cash basis of accounting as described in Note 1.

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Pulaski County School Board, Virginia School Activity Funds and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting described in Note 1, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

## Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pulaski County School Board, Virginia School Activity Funds' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pulaski County School Board, Virginia School Activity Funds' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated July 26, 2022, on our consideration of Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting and compliance.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards 

## To the Pulaski County School Board <br> County of Pulaski, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the accompanying summary statement of cash receipts, disbursements, and balances of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2022, and the related notes to the financial statement and have issued our report thereon dated July 26, 2022, which included a paragraph emphasizing that the financial statement is prepared on the cash basis, which is an other comprehensive basis of accounting.

## Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of Pulaski County School Board, Virginia School Activity Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of Pulaski County School Board, Virginia School Activity Funds' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and responses as item 2022-001, that we consider to be a material weakness.

## Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pulaski County School Board, Virginia School Activity Funds’ financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

## Pulaski County School Board, Virginia School Activity Funds' Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on Pulaski County School Board, Virginia School Activity Funds' response to the finding identified in our audit and described in the accompanying schedule of findings and responses. Pulaski County School Board, Virginia School Activity Funds' response was not subjected to the other auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on the response.

## Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The accompanying notes to the financial statement are an integral part of this statement.

# PULASKI COUNTY SCHOOL BOARD, VIRGINIA 

PUBLIC SCHOOL ACTIVITY FUNDS
Notes to Financial Statement
As of June 30, 2022

## NOTE 1 -REPORTING ENTITY:

Nature of Activities:
School activity funds include all funds received from extracurricular school activities, such as entertainment, athletic contests, club dues, fundraisers, etc., and from any and all activities of the school involving personnel, students, or property.

## Significant Accounting Policy:

The accounts and records of the school activity funds are maintained on a cash basis reflecting only cash received and disbursed. Therefore, receivables and payables, inventories, accrued income and expenses, equipment, and depreciation, which are material in amount are not reflected, and these statements do not present the overall financial position or results of operations. Minor additions and replacements of furniture and equipment intended to be paid for out of normally recurring income are included in costs and expenses in lieu of depreciation on the statements of cash receipts, disbursements, and balances.

## NOTE 2 - DEPOSITS:

The Schools do not have a policy with respect to types of deposits and investments allowed.
Deposits with banks are covered by the Federal Deposit Insurance Corporation (FDIC) and collateralized in accordance with the Virginia Security for Public Deposits Act (the "Act") Section 2.2-4400 et. seq. of the Code of Virginia. Under the Act, banks and savings institutions holding public deposits in excess of the amount insured by the FDIC must pledge collateral to the Commonwealth of Virginia Treasury Board. Financial Institutions may choose between two collateralization methodologies and depending upon that choice, will pledge collateral that ranges in the amounts from $50 \%$ to $130 \%$ of excess deposits. Accordingly, all deposits are considered fully collateralized.

The Southwest Virginia Governor's School includes the Southwest Virginia Governor's School Foundation which is not subject to the Code of Virginia, but has investments with Edward Jones that are considered restricted cash and cash equivalents.

PUBLIC SCHOOL ACTIVITY FUNDS

## Schedule of Findings and Responses

Year Ended June 30, 2022

## 2022-001

Criteria:
The Schools are responsible for establishing and maintaining adequate internal control over their accounts. A key component of internal control is that no one individual should have access to accounting records and the underlying assets.

Condition:
The Schools do not have adequate segregation of duties over receipts and disbursements. For instance, the individual receiving and depositing funds should not also be responsible for recording receipts in the accounting system. In addition, the individual writing and posting checks should not also be responsible for reconciling accounts.

Response:
The School Board agrees with the finding; however, the cost to correct the existing lack of segregation of duties would be prohibitive. The Schools will take measures to continue to try to mitigate the lack of segregation of duties that exists.

Independent Auditors' Report on Supplementary Information

To the Pulaski County School Board<br>County of Pulaski, Virginia

We have audited the financial statement of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2022, and our report thereon dated July 26, 2022, which expressed an unmodified opinion on that financial statement, appears on pages 1 and 2. Our audit was conducted for the purpose of forming an opinion on the financial statement. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statement.

## TO THE PRINCIPAL

Dublin Elementary School
This report is to follow up our recent audit of the cash basis financial statements of Pulaski County School Board, Virginia School Activity Funds for the period ended June 30, 2022. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.

None for FY 2022

Robinson, Farmer, Cox Associates, PLLC

## TO THE PRINCIPAL

Pulaski County High School
This report is to follow up our recent audit of the cash basis financial statements of Pulaski County School Board, Virginia School Activity Funds for the period ended June 30, 2022. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.

## General

- All journal entries/fund transfers should be approved by the principal. We noted no approval from the principal on the transfer/journal entry forms.

## Cash

- The total amount of scholarships issued per activity account 150, Akers Memorial Scholarship, does not agree to the activity reported in the CD asset account 900, Akers Memorial Scholarship. It is noted that beginning balance did not agree and, therefore, ending balance between the two accounts differs as well. We recommend that these accounts be reviewed and updated as needed to ensure accurate reporting.

## Receipts

- Teacher receipts and system generated receipts should appropriately distinguish between cash and check amounts collected and same should agree to the deposit slip. We noted the following:
- Teacher receipts supporting system receipt numbers 5519 and 6031 did not indicate cash/check designations for all receipts remitted to the bookkeeper.
- The cash/check designation for receipt numbers 5098 and 5629 did not agree to the deposit slip.
- Money should be receipted in the system when money is collected, at a minimum by the next business day. Money collected by the bookkeeper was dated 09/29/2021-10/14/2021 on handwritten receipts but was not posted to the system or deposited until 10/15/2021.

## Athletic and Other Special Events

- The Report of Ticket Sales should be completed accurately. The Report of Ticket sales for 3 out of 5 events/games tested noted that the cash on hand was over/under the total that should have been on hand based on ticket sales. We recommend that care be taken during the sale of tickets to ensure that amounts are accurate.

## Fundraising Activities

- Items sold to generate a profit should be accounted for in their own fund or posted to the applicable club/fund with sufficient description detail in order to properly calculate gross profit. The Little Caesar's Pizza fundraiser collections were not properly detailed to accurately calculate gross profit.

## TO THE PRINCIPAL

Pulaski County Middle School
This report is to follow up our recent audit of the cash basis financial statements of Pulaski County School Board, Virginia School Activity Funds for the period ended June 30, 2022. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.

## Fundraising Activities

- Non-related DC trip refunds and Dave's Moonwalk and More, Inc. purchases are being posted to the picture commission and middle school fundraiser accounts, respectively. In the event profits from a fundraising account are needed/used to cover the expenses of another account, a transfer should be used to move funds to the appropriate account.

## Receipts

- Receipts should be issued to the individuals remitting the funds at the time of remittance. We noted several receipts being issued to the bookkeeper when a teacher or other staff turned money in to bookkeeper, include receipt numbers 361, 293, and 202.

## Athletic Events

- The Report of Ticket Sales should be completed accurately. The Report of Ticket sales for 4 out of 5 tested noted that the cash on hand was over/under the total that should have been on hand based on ticket sales. We recommend that care be taken during the sale of tickets to ensure that amounts are accurate.

## TO THE PRINCIPAL

Pulaski Elementary School
This report is to follow up our recent audit of the cash basis financial statements of Pulaski County School Board, Virginia School Activity Funds for the period ended June 30, 2022. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.

## General

- Any fund with a negative balance at year-end should be cleared by a transfer from a fund(s) with a positive balance. The Red Ribbon Week fund had a balance of $\$(44.55)$ at year-end.

## Receipts

- Monies collected by the front office should be entered into the system as received from the individual who submitted the funds rather than as received from the bookkeeper. This allows the system to properly reflect who is submitting funds. For example, reimbursements from the school board should be entered into the system as received from the Pulaski County School Board or monies collected by a teacher should be entered into the system as received from that teacher's name.

## TO THE PRINCIPAL

Riverlawn Elementary School
This report is to follow up our recent audit of the cash basis financial statements of Pulaski County School Board, Virginia School Activity Funds for the period ended June 30, 2022. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.
