

Dear Parent(s):

This is to thank you for your interest and acknowledge your request for your child to attend Rome City Schools as a non-resident student. With an increase in enrollment, space has become a premium in some schools. Therefore, new tuition students will be accepted on a space available basis only. Those individuals applying earliest will have priority. If you change your mind about admission to Rome City Schools after being accepted, please notify the school principal so that admission status of others will not be jeopardized.

The tuition fee for a non-resident student is \$180, payable to the school by October 17, 2022. If the balance has not been paid by October 17, 2022, your student may be placed on probation status or have his/her tuition status revoked. Please contact your child's principal if you have special circumstances that prevent you from completing payment by this date.. Tuition students are accepted in Rome City Schools based on the following criteria:

1. Available space.
2. The student's grade average, attendance, discipline, and predicted success in Rome City Schools.
 - a. Success is reviewed bi-annually.
 - b. Unsuccessful students may be placed on tuition probation or withdrawn.
3. Completion of the four steps listed below:
 - a. Fill out the attached application completely.
 - b. New tuition students should attach a copy of the current report card. We may ask you to submit an official transcript later, if needed. If the report card does not include attendance, please also attach that report
 - c. New tuition students should attach a signed discipline report from the school counselor/administrator.
 - d. Return the completed application packet to your school office or to the Rome City Schools Central Office at 508 East 2nd Street, Rome, GA 30161.

The first round of application acceptance will take place on April 27th for all applications received by the close of schools and the Central Office on April 26th. Applications received after this date will be processed in the order they are received and will be accepted on the above criteria or placed on a waiting list.

New students will be notified of acceptance by mail as quickly as possible. Again, thank you for your interest in Rome City Schools.

Sincerely,

Eric L. Holland
Superintendent
