Comments: Our boys made it two wins in a row and Luke got his first High School Cross Country win! Our finish orders on both boys and girls were shuffled around from the first meet, which I really like seeing. If we'll keep competing against each other and not get into the mindset of being the team's 2nd runner or 3rd runner, we'll be a much stronger team by the end of the year. This is a very flat course and our runners took advantage with lots of improved times, some by nearly 4 minutes. We'll be hosting our meet this week in the field east of the football stadium in Alma. First race starts at 4:00, I hope lots of people come out to cheer us on!
