

# Pre-1960s Panel, Photo #9

## 1930 Girls' Basketball Team:

Girls' Basketball began as an intramural sport at Brewer as early as 1918. As the first interscholastic sport offered to girls, the first Girls' Basketball team in school history formed in the 1920-21 season. In the early years, the teams had relatively poor records until the 1929-1930 season. The girls posted a winning record of 8 wins-2 losses!
