1959 Boys' Cross-Country Team:

Brewer Boys' Cross Country was formed in 1925 and remained a successful interscholastic sport even with small numbers of participants until 1930. While Spring Track remained popular, numbers dwindled in cross country until it started up again in 1958. Elite runner, *David Farley (2014 Brewer Hall of Fame Inductee, 3rd from the right)* helped to rejuvenate Boys' Cross Country at Brewer High School. Farley set his first cross country record in 1958 in the 2 ½ mile race at Garland Street Field in 12 minutes and 59 seconds.
