Food Pantry

Thousands of people every year come to Vineyard's food pantry. With donations from church members and local grocery stores, we are able to help meet the need of the hungry.

The food pantry is open business days: Monday, Wednesday, and Saturdays from 9:00-11:30 a.m. We are open to anyone from anywhere. All you need is your drivers license.

Get involved! Make an impact in the lives of those in need in our community.
