

Influenza Vaccination Clinic

Chatham Health District

2018 Flu Season is Coming

The Chatham Health District, which is your local public health dept, is taking steps to limit the spread of Influenza by holding the following clinic for children, families and the general public.

Gilead Hill School, 580 Gilead St, Hebron,
Thursday, October 4, 2018
3pm-6pm

In addition to the regular-dose influenza vaccine, the high dose vaccine for people over 65 years of age and the nasal FluMist for healthy people ages 2-49 will be available.

Each person will need to bring their insurance card, a copy of the card, and a printed, filled out copy of the Influenza Vaccination Consent Form (found on our website) to the clinic. The following health insurances are accepted: Aetna, ConnectiCare, Cigna, Anthem BC/BS, Medicare (part B). The secondary insurance will be billed first, but both cards will be taken. **Please note that United Healthcare and other insurances are not accepted.** Persons with other health insurance will be asked to pay a \$25 fee, either cash or check. Proof of vaccination will be available for daycare records. Call the Chatham Health District at 860-365-0884 for questions or more information.
