Mission

The Hebron Public Schools, in partnership with families and the community, is committed to fostering confidence, creativity, responsibility, and academic excellence in our children to enable them to explore the possibilities in their diverse world as respectful, contributing members of their community.

District Vision

The Hebron Public Schools is a high achieving district that supports all learners.

We...

- Maintain high academic standards;
- Value the importance of technology;
- Celebrate participation in the Unified Arts;
- Actively recruit, train, and support educational professionals;
- Foster social and emotional well-being;
- Establish meaningful relationships through collaboration with staff, students, families and the community;
- Adapt to changes in a fiscally responsible manner.

Board Goals

Student Achievement & Development

Maximize learning opportunities for all students.

Communication

Ensure clarity, understanding, and transparency for our staff, parents, and school community.

Professional Learning and Growth

Strengthen professional learning opportunities, encourage reflection, and collaborate to support student development and achievement.

Resource Management

Implement budget policies that reflect the priorities of the school community and align with the District mission and vision.

THEORIES OF ACTION

BOE GOAL 1: Communication and District/School Climate

If we foster a positive district culture with a high level of stakeholder engagement, communication and collaboration, then we will be more effective in mobilizing students, faculty, staff, parents, and community members around continuous improvement and high levels of student achievement.

BOE GOAL 2: Student Achievement and Development

If we establish a system of monitoring through the use of student assessment data, curriculum review, and evaluation, then we will be more effective in adjusting our curriculum, programming, and instructional pedagogy to insure a high level of student achievement.

BOE GOAL 3: Professional Learning and Growth

If we assure that all staff are provided meaningful professional development opportunities that are current in theory, practical, and align directly with their responsibilities, then staff will be able to apply their learning and enhance their effectiveness in meeting the needs of our students.

BOE GOAL 4: Resource and Management Practices

If we facilitate the development of talent and collective responsibility through the intelligent allocation of our financial and human resources, then we will be able to effectively adjust our curriculum, programming, and instructional pedagogy to insure high levels of student achievement.

GILEAD HILL SCHOOL HISTORICAL DATA

These statements were developed looking at limited and varied historical data. The administrative team has been and continues to address the amount of specific, measurable data.

Stakeholder Feedback

School climate data from the spring parent and staff survey led to the formation of the following statement:

The 2017-2018 School Climate/Parent Survey indicated 87% positive responses, 5% neutral responses, and 14% negative responses in the area of family engagement (items 1, 8, 9, 16, 17, 18, and 23).

This data was used to determine the administrative goal for the 2018-2019 school year. Specifically, the goal is:

The percentage of Gilead Hill School parents indicating a rating of "Agree" or "Strongly Agree" on items from the annual School Climate/Parent Survey which focus on family engagement (i.e., items 1, 8, 9, 16, 17, 18, and 23) will be maintained at 85%.

Smart Goals

Reading Goal:

For the 2017-18 school year, the following percentage of students met or exceeded their end-of-year grade-level goal on the running record reading assessment:

2nd grade – 79%

1st grade – 95%

K – 87%

K-2 students - 2017-18 data: 87% were reading on or above grade level

2018-19 school year goal:

80% of students, K-2, will be reading on or above grade level at the end of the school year, as determined by Running Records.

Math Goal:

For the 2017-18 school year, the following percentage of students demonstrated mastery on Bridges post unit assessments.

Grade 1-88%

Grade 2-85%

Average-86.5%

2018-19 school year goal:

85% of students in grade 1 and 2 will demonstrate mastery (75%) on Bridges post unit assessments.
