**stay informed:  
[southport.aos98.net](http://southport.aos98.net)**

Tuesday morning meeting... Mr. Shawn read a Dr. Suess book called; "Did I ever tell you how Lucky I am?" Then the children had to think of a reason why they are lucky and show it to everyone without using words.

**A roof over our heads!**

**Trees!**

Ms. Tibbetts' K/1 Classroom

We've been working on what a good line looks like & what a bad line looks like.

We also completed "math about me" activities!

Stella, Jessie and Haiden of Ms. Clarke's 2nd & 3rd grade class work on Lego challenges. Each child was given a variety of things to make, some of which were: a castle, a robot, your name, a bunk bed, and many other. What a creative group of kiddos!

## **PTO MEETING**

I hope you will be able to join me for this year's first meeting for our Parent-Teacher Organization, scheduled for Tuesday, September 25th from 6-7pm. Children are welcome to play quietly during the meeting if you wish to bring them.

I'd like to discuss possible playground expansion opportunities and get your ideas for this. As well, we will be discussing school-related functions that occur during the year. I hope you will be able to make it.

## **INSTANT ALERT**

Today, students have been given information (for parents) to ensure that you have adequately signed up to receive school-related notifications via the method you choose. Yesterday was a good example of an unexpected need to send out a notification to parents of students in the Boothbay schools. Following yesterday's storm, there were many roads inaccessible and, therefore many students were without bus transportation and required parents to make quick decisions. Because of Instant Alert, parents received a text, email or phone call alerting them of the situation.

We need ALL parents to check their Instant Alert status, inputted by Mrs. Higgins, to confirm all contact information is correct. You make changes to your account online.

If you have questions, please contact Mrs. Higgins. Thank you.
