Dear Jayme Jones,

Your Group Fundraising Site is set up for you, and **your fundraiser begins in two days**. It's time to spread the word and let all of your parents know about it. The easiest way to get your message out is to simply [forward this email to all of your parents the day before your fundraiser kickoff](#). You may need to forward this to a school administrator to make sure everyone is included.

This email will guide them through creating their Participant Support Site and we created a short video to show how their participation makes a huge impact in the success of the fundraiser.

Again, simply email the message below to all of your parents today!

**It's that time of year again! Our school fundraiser will be kicking off tomorrow.** Students will bring home their packet with all the information you need to get started and support our school. YOUR participation and each item sold...makes a difference in the lives of OUR students.

You can show your support by registering your student for online selling and by sharing the brochure in person with friends, family, neighbors and at work to help maximize the impact of this fundraiser.

Cherrydale has an amazing product selection and brands that your friends and family will love such as Allure, Tervis, Otis Spunkmeyer and Cherrydale Chocolates. Say **YES FOR OUR KIDS** and [click here](#) to register so we know we can count on your support!
