

I would like to welcome you to Beaverhead County High School for the 2022-2023 school year. The entire staff at BCHS is committed to excellence and the education of our students. We will work hard to ensure that our students graduate from high school and that they are Career and College ready, as well as provide them with many enjoyable and stimulating learning opportunities throughout the year.

In the coming year we will once again be dealing with the COVID-19 pandemic. We have developed a comprehensive COVID-19 plan. That plan has been revised to follow current guidelines and can be found on our website at www.bchsmnt.com

Our staff and students are proud of the fact that Beaverhead County High School continues to expand our MBI program and transition to an MTSS (Multi-Tiered Systems of Support) program. We have worked hard to create and maintain a program that strives to provide a positive and respectful learning environment and atmosphere for our students to be successful. In addition, BCHS has achieved regular accreditation status by the Montana Office of Public Instruction as well as being approved for a much more stringent accreditation process from the AdvancED Organization which was formerly the Northwest Regional Accreditation Organization.

I highly encourage you to get to know our teachers, advisors and coaches. You will find them friendly, helpful and willing to answer any questions about the programs and activities at BCHS. Also, feel free to call or stop by the office and visit with Mr. English (Assistant Principal) or me with any questions or concerns you might have.

I look forward to hearing from you and wish you and the students the very best in the coming school year.

Sincerely,
Mr. Gary Haverfield, Superintendent/ Principal
Beaverhead County High School
