

WELCOME FROM MR. NORDAHL

Currently I am entering my 33rd year of teaching, all at BCHS. I was born and raised in Helena. While attending Helena Capital High School I participated in wrestling, rodeo, and football. During my college years at Western Montana College I participated in wrestling and rodeo while earning degrees in Math and P.E. My wife, Barb, and I have four children: Brett, Zane, Kelsi, and Todd. All have degrees from WMC and three are teachers. They all graduated from BCHS where they competed in various sports and activities. Our granddaughter, Natalie, turned two in August.

I served as an assistant coach and then as the head coach for the wrestling and football programs at BCHS. I truly believe that activities and athletics provide students with opportunities to develop well-rounded and fulfilling experiences. I feel strongly that Dillon is the best place in the world to raise a family because of the community support and the education system. We have great backing for our academic programs and our athletic teams. Community pride is felt, shared, and intensified when supporting the Beavers is done in a positive and productive manner.

Feel free to contact me by phone or email if you have questions or concerns where I may be able to offer assistance. Look to the future not the past if you want to make a difference in student development and growth. GO BEAVERS!!!!
