

CONNIE NICHOLAS MEMORIAL SCHOLARSHIP

\$1,500

The Connie Nicholas Memorial Scholarship was created by Connie's daughter to support students who wish to continue their education at the University level. Connie Nicholas believed that education created an opportunity to expand one's horizons and was the means by which the world could be changed. Connie engaged those she came across to challenge their perspective while being intrigued about others' experiences.

As a local business woman, Connie was recognized nationally among outstanding women in banking, elected mayor of Dillon, and to the BCHS School Board. Connie quietly encouraged and helped more people than we will ever know. She engaged and encouraged so many she came in contact with and her daughter and granddaughters wish to continue her legacy of helping others through her example to assist students who aspire to attend University and whose work in their academic career has been exemplary.
