Active Directory Account Management
System

User Password Change
Changing Password for Existing State Active Directory Accounts
via the
Active Directory Account Management System (ADAM)

Changing Password

There are two methods for updating password:

1. **If you know your current password**
   - Visit https://adam.ade.arkansas.gov   -   Enter 'User ID' and 'Password'
     - On the landing page, select the "Password" icon
       - Enter and confirm a new password

2. **If you have forgotten your password, or have a new account**
   - Visit https://adam.ade.arkansas.gov   -   Do NOT enter 'User ID' and 'Password'
     - Select "Forgot Password?"
       - Enter 'User ID' and select "Request PIN"
         - Open email to find PIN
           - Enter PIN to set a new password
