

The Community Education Office offers a variety of after school and evening classes for children and adults of all ages. These classes were created to provide students with a positive outlet to explore their creativity, expand their knowledge, and find new interests and hobbies. Community Education classes are taught by a staff of qualified instructors. Schedules for students' classes may vary from a one-day class to monthly or several week sessions. Classes such as art, dance, gymnastics, karate, piano, soccer, Snapology, Taekwondo and tennis are on-going classes that are held on a continuing basis throughout the year. Early registration is encouraged since all classes have a maximum enrollment. Students will be notified of class start dates after all registration sessions and class schedules are completed.
