

September 18, 2018

Dear Mechanicsburg Families:

In honor of our military, we are creating a Wall of Honor for all active duty, reservists, and Veterans that are associated with our school. This also means any of your family members that you would like to recognize for their service as well. Please send in a picture of your service member with the form filled out below. We will hang up their picture for the school year to honor their service. If you would like the picture returned, please indicate so on the form below.

Thank you!
