Motion by Suzie, second by Elina to approve agenda. approved

No public input

Bruce and Tim brought the eligibility for minimum number of players to participate in LUSD sports.

- *Add Soccer to list

- * Specific language for injured and ineligible players

- *Official date to determine if sport is happening or not

- *Discussed number of subs for minimum per sport and what makes the difference

LCAP

Parent surveys were emailed out to parents. The district has received 43 responses. Another Email will go out to remind parents to take to survey and submit to the district.

FACILITIES

Parking lot is scheduled to be paved by next week.

The kitchen project will start on June 9th.

Five new heaters have been installed throughout the district.

SAFETY PROTOCOLS

The District is working with MCOE and Law enforcement to have drills for what could happen if there is a real life situation for lock down, fire, etc. on

campus. Bruce will be getting feedback from other schools for drills.

The district is working on the cost to install a new phone system with 4 digit extensions for classrooms and being able to communicate throughout the district.

REPORTS

Student Rep nothing

Booster Club nothing

Budget- The district received a letter from MCOE approving P2 budget. The district is at the percent required by State.

Cahto Tribe- The question was asked if the snow days got approved (J13). The tribe will be using school vans for a field trip on April 28th. The Cahto dancers will be going on field trips to dance. April 25th will be Earth Day event at the Tribal Office for 1 to 5. May 18th is Native American Day event at LUSD.

Site Council- LHS did a policy review, looked at attendance and WASK walk through.

LES- looked at documents, discussed what happens to student not being able to come to school due to weather, and getting a weekly LEMS bulletin to parents.

Next DAC meeting will be May 17th at 4 PM.

Meeting adjourned 4:56
