Motion by Dulany, second by Jensen and carried to approve the consent agenda with the following items: (A) The minutes from the meetings held on November 14, 2022. (B) The bills for payment as presented (as printed below). (C) The financial report (as printed below). (D) Work agreement to Dillon Browning for Christmas Break custodial worker at \$12.00/hr. (E) Open Enrollment FY23-12A. (F) Austin Nath as JH Coach for Wrestling for FY23 at \$2153.00. (G) Al Ryckman as volunteer for JH BBB for FY23. (H) Layton Cooper as volunteer for JH BBB for FY23. (I) Eric Donat as volunteer for JH BBB for FY23.

Motion by Shanley, second by Dulany and carried to approve resolution to oppose Social Studies standards. We, the Warner School Board, oppose the proposed Social Studies standards for the following reasons:

Whereas:

1. The process of revising the Social Studies standards was done in a manner that did not consult the expertise of South Dakota educators in their development, as has been the practice for decades of standards revision;
2. The proposed Social Studies standards are not based on educational best practices, but rather are written as tasks, not standards;
3. Many of the proposed Social Studies standards are not age appropriate for students, lack depth of knowledge, higher order thinking and do not address skill development;
4. The proposed standards would require excessive contact hours to teach to students, which would take time away from other curricular subjects;

5. Current Social Studies materials used in schools do not align with the proposed Social Studies standards, which will result in new materials, teacher training and resources needing to be purchased at a high cost to schools.

Therefore, we, the Warner School Board respectfully ask the State Board of Education Standards request the Department of Education reconvene the Social Studies workgroup from 2021, with instructions for the workgroup to revise their draft with consideration of the Social Studies Content Standards Commission's proposal. The goal should be a third proposed set of standards as a compromise between the first two Social Studies content standards proposals.
