	Progressive Discipline POLICIES AND REGULATIONS	

RULES OF STUDENT CONDUCT AND DISCIPLINE

Students attending our schools are required to conduct themselves with respect for self and others through their actions, their language, and their dress. Student behavior will reflect favorably on the individual and on the school, will show consideration for others, and will create a harmonious learning atmosphere. Students must recognize their individual responsibilities and obligations and discharge them in accordance with school regulations. When a school employee acts to assist a student in proper conduct, the emphasis shall be toward student growth in self-discipline.

APPLYING THE DISTRICT-WIDE RULES

1. The consequences for misbehavior described in this regulation are for misbehavior resulting in a Referral to the principal's office. Consequences are designed to be fair, firm, and consistent for all students in the Warner School District 6-5. They apply to all students in any school or other District building, on District property, in District vehicles or school buses, and at school or District events. Consequences listed are minimums. The building administrator has the latitude to enforce other reasonable disciplinary action found to be warranted by the situation.
2. Because it is not possible to list every misbehavior that occurs, the administration and staff reserves the right to respond to misbehaviors not included in this regulation. This regulation is based on the assumption that misbehaviors are dealt with by bus drivers, chaperones, classroom teachers, counselors, administrators and other appropriate District staff.
3. Progressive discipline will be used in conjunction with existing District policy.

Actions which may be used by District staff to discipline students and/or encourage them to modify their behavior include but are not limited to: student conference, parent or guardian notification, parent or guardian conference, fine, restitution, detention, Saturday School, removal from class, in-school suspension, dismissal from school, out-of-school suspension, exclusion, expulsion, Referral to law enforcement authorities, conflict resolution training and recommendations to alternative community services.

This includes the right to (1) be informed of conduct which would result in disciplinary action against the student; (2) notice of any rule violation; (3) explanation of the evidence supporting the charge; (4) an opportunity to present the student's side of the story; (5) a penalty that is proportionate to the violation.
