Dear Attica CSD Families,

We have been considering the need and potential benefit of offering after school child care. We are in the early stages of discussing partnering with the Healthy Kids Extended Day Program to provide such care. www.healthykidsprograms.com

At this time we are looking for your feedback to assess the need for this program. Please fill out the form below if you might be interested in this program for your child(ren). Approximate fees for this program would be: 5 days/week = \$70/child; 3 days/week = \$50/child; Single day fee = \$20/child

A start date for this program has not yet been determined. The thought at this time is for a September 2022 start to this program.

Sincerely,

Timothy C. Hayes, Interim Superintendent

Please return to the Elementary Main Office by Friday, May 20, 2022
