

Etiwanda School District School Library Scrip Program

**Put your money to work for your school library
when you purchase gift cards
through the library scrip program.
Our students are the winners!!!**

Why buy scrip?

Scrip is easy- *It takes a few minutes to check out the list (on the reverse side of this page) to see where you shop and choose gift cards that work for your family. Many school offices/libraries have scrip on hand you can purchase right away. Any scrip order that can't be filled right away is ready for pick up within a few days.*

Scrip does not cost you anything *Participating retailers donate a percentage for each gift card purchased to the school library. You get dollar for dollar value while supporting the school library.*

Scrip generates serious cash *Last year, scrip participants together raised more than \$40,000 for our school libraries!*

Our School Libraries rely on scrip proceeds to help fund valuable materials & programs for our kids - *Last year, the scrip funds raised allowed libraries to put thousands of new books and other materials in the hands of students as well as supported programs such as Battle of the Books, Common Core, and author visits.*
