

## Here's how Birthday Book Club works:

- Parents and Caregivers fill out the form to the right➔ and send it to School with cash or a check for \$15.00 (made to Etiwanda Colony Library)
- The money is used to buy books. These books are put on a special shelf waiting to be selected. Many genres and reading levels are offered.
- On or near your student's birthday, they will pick the next book to be donated. We put a special book plate inside that tells all future checkers the name and birthday of the student who donated it. *Many students search out their donation years later and get a kick out of showing friends their book plate.*
- They can borrow the book for 3 weeks and get a special bookmark along with their name on the Birthday Book Club display.

*Note-if your student's Birthday is during the summer break, we will have them choose on their "1/2 Birthday". If their Birthday falls during a school break, they will make their choice just before the break. Direct any questions you may have to Mrs Haines at the EC Library.*
