BOARD GOVERNANCE AND OPERATIONS

1.1—LEGAL STATUS OF THE BOARD OF DIRECTORS

By the authority of Article 14 of the Arkansas Constitution, the General Assembly has provided that locally elected school boards will be responsible for the lawful operation and maintenance of its local schools.

While the Board has a broad range of powers and duties, its individual members only have authority when exercising their responsibilities in a legally convened meeting acting as a whole. The sole exception is when an individual member has been delegated authority to represent the Board for a specific, defined purpose. In matters such as personnel discipline, expulsions, and student suspensions initiated by the superintendent, the Board serves as a finder of fact, not unlike a jury. For this reason, the board should not be involved in or, to the extent practicable, informed of the facts or allegations of such matters prior to a board hearing or those disciplinary matters in which the Board could become involved.

It is the policy of the Piggott School Board that its actions will be taken with due regard for its legal responsibilities and in the belief that its actions shall be in the best interests of its students and the District as a whole.

1.2—BOARD ORGANIZATION and VACANCIES

Election of Officers

The Board shall elect a president, vice president, secretary¹, and legislative liaison² at the first regular meeting following the later of: the certification of the results of the annual school election; or if there is a runoff election, at the first regular meeting following the certification of the results of a run-off election. Officers shall serve one-year terms and perform those duties as prescribed by policy of the Board. The Board shall also elect through a resolution passed by a majority vote one of its members to be the primary board disbursing officer and may designate one or more additional board members as alternate board disbursing officers³. A copy of the resolution will be sent to the county treasurer and to the director of the Department of Finance and Administration.

When the position of an officer of the board becomes vacant, the officer's position shall be filled for the remainder of the year in the same manner as for the annual election of officers after the annual school election. Election of Board officers shall not occur except on a once per year basis or to fill an officer vacancy.⁴

Vacancies

A vacancy shall exist on the Board if a board member:

1. Moves his or her bona fide permanent residence outside the boundaries of the school district;
2. Fails to physically attend three (3) consecutive regular meetings of the school district board of directors;
3. Fails to physically attend six (6) regularly scheduled board meetings of the school board of directors in a calendar year;
4. Fails to receive the mandatory hours of training within the statutory time period;
5. Is convicted of a felony;
6. Is called to active military duty;
7. Has served a full-length term as a holdover and has not subsequently been elected to another term;⁵
8. Resigned from the school board of directors; or
9. Dies.

If credible evidence of a vacancy existing due to numbers 1 through 4 is presented to the president, vice president, or secretary of a school district board of directors, a majority of the members of the school district board of directors shall:

- Vote on whether to appoint an independent investigator to investigate the credible evidence presented; and
- Hold a hearing on the existence of a vacancy.⁶

A vacancy does not exist for numbers 2, 3, and 4 if the reason for the member's absences or failure to receive training is either:

- a) Military service of the board member; or
- b) Illness of the board member that is verified by a written sworn statement of the board member's attending physician.

When a vacancy occurs on the board of directors, a successor to a vacated position shall be appointed:

- I. If at least a quorum of the Board remains, by the remaining Board of Directors within thirty (30) days for vacancies resulting from numbers 1 through 8 above and up to sixty (60) days for vacancies due to the board member's death; or
- II. If less than a quorum of the Board remains or the Board fails to fill the vacancy within the time permitted, by the county quorum court.

The successor to a vacant position must be registered to vote in the District and, if applicable, reside in the zone of the vacant position.⁷

When a vacancy on the Board resulted from a board member's failure to receive the required training within the statutory time period, the board shall not appoint the individual who failed to receive the required training to fill the vacancy.

Except for a temporary vacancy due to military service, an individual appointed to fill a vacancy shall serve until the annual school election following the appointment. An individual appointed to fill a temporary vacancy due to military service shall serve until either the Board member who has been

called to active military service returns and notifies the Board secretary of his/her desire to resume service on the Board or the Board member's term expires. If a Board member's term expires while the board member is on active military duty, the board member may run for re-election; if re-elected, the re-elected Board member's temporary vacancy shall be filled again in the manner prescribed in this policy.

The secretary of the school district board of directors shall notify the county clerk of an appointment to the school district board of directors within five (5) days of the appointment being made. The notice shall include the name of the appointed board member and the expiration date of his or her term.

An individual appointed to fill a vacancy must submit proof of having received the oath of office to the county clerk before the individual may assume any duties.

Notes: ¹ While A.C.A. § 6-13-618 provides the option to elect an individual who is not a member of the board to serve as Secretary, we strongly advise against doing so because the position of secretary has several powerful statutory authorities, which include co-signing some documents and the calling of special board meetings. The board member elected as Secretary does NOT have to be the individual who also takes the minutes and, in fact, seldom is. If you choose to have a staff member be responsible for recording the minutes, which allows the board members to focus on the meeting rather than on taking notes, be sure to look at Policy 8.11—OVERTIME, COMPTIME, and COMPLYING WITH FLSA.

² The legislative liaison position is not statutorily required but is requested by ASBA so each board has at least one individual selected to receive and respond to ASBA's legislative updates. A longer explanation and list of duties can be found in Policy 1.20—DUTIES OF THE LEGISLATIVE LIAISON. Your district could choose to make it part of another officer's duties rather than a separate office.

³You do not have to elect alternate disbursing officers, but ASBA strongly recommends you do so to avoid possible disruption of payroll and bill paying in the event that the district's disbursing officer is unavailable due to travel or illness, not re-elected, resigns from the board or dies. If you do choose to elect alternate disbursing officers change the first sentence in Policy 1.16 to reflect the allowance of signatures of alternate disbursing officers. If you choose to not have alternate disbursing officers delete that portion of the sentence in this policy. Among the considerations in choosing whether to have alternate disbursing officers is the question of how many possible signatories your district is comfortable having. At the same time, it needs to be considered whether you choose to have all signatures handwritten or if you will allow facsimile signatures. Facsimile signatures effectively negate the need for alternate disbursing officers.

Our recommended language for the resolution on the election of disbursing officers is:

The Piggott School District Board of Directors resolves that _____ is our disbursing officer and (if applicable) _____ is our alternative disbursing officer.

its ⁴ This sentence is optional; there is no statutory restriction on how often the board can elect officers. We have included it, however, because multiple elections in a year can be disruptive to a board.

⁵For a full explanation of holdovers see policy 1.19.

⁶ The requirements for the hearing are set forth at A.C.A. § 6-13-611(b)(2) through (6).

⁷ While the language requiring an individual to reside within the same zone as the vacant position in order to be appointed to a zoned position is a statutory requirement, you may remove the language requiring the individual to be appointed to reside in the same zone as the vacant position if all of your positions on the board are elected at large instead of zoned.

1.6—BOARD MEMBER VOTING

Establishment of a Quorum

A quorum of the Board is a majority of the membership of the Board. No vote or other board action may be taken unless there is a quorum present. Except as provided in Policy 1.6.1—ATTENDING MEETINGS REMOTELY, a Board member must be physically present at a meeting to be counted toward establishing a quorum or to be eligible to vote. A majority of the quorum voting affirmatively is necessary for the passage of any motion. A quorum must be physically present for a board to enter executive session.

Voting and failure to vote

Except as provided in Policy 1.6.1—ATTENDING MEETINGS REMOTELY, all Board members, including the President, shall vote on each motion, following a second and discussion of that motion.

Failure of any Board member to vote, while physically present in the meeting room, shall be counted as a “no” vote, i.e., a vote against the motion.

Only those votes taken by the Board in open session are legally binding. No motion made or vote taken in executive session is legally binding, although a non-binding, unofficial and non-recorded vote may be taken in executive session to establish consensus or further discussion.

Abstentions from Voting

In order for a Board member to abstain from voting, he must declare a conflict and remove himself from the meeting room during the vote. A Board member who removes himself/herself from a meeting during a vote due to a conflict of interest shall not be considered present at the meeting for the purpose of establishing a quorum until the member returns to the meeting after the vote.

1.6.1—ATTENDING MEETINGS REMOTELY

The Board of Directors permits members who would be otherwise unable to physically attend a board meeting to attend the meeting remotely. A board member who will be unable to physically attend a board meeting is responsible for notifying the superintendent at least one (1) hour prior to the scheduled meeting time that the member will be unable to physically attend the meeting and intends to attend remotely.

The method used to permit members of the board of directors to attend remotely shall:

- 1) Provide a method for the president or secretary of the board of directors to verify the identity of the member(s) attending remotely;

- 2) Allow the members of the Board physically present and members of the public to hear the member(s) attending remotely at all times; and
- 3) Allow the member(s) attending remotely to hear the members of the board of directors physically present at the meeting at all times and any public comment.

A board member attending remotely shall not:

- a) Attend an executive session or closed hearing; or
- b) Vote on an issue that is the subject of an executive session or closed hearing.

The Board minutes shall indicate if a board member is attending remotely and the method used to permit the member to attend remotely. If an executive session occurs during a meeting when a board member is attending remotely, the minutes will treat the board member attending remotely as though the member had left the room for any vote on a subject discussed in the executive session.

Up to three (3) times per calendar year, the board of directors may count a board member attending remotely for the purpose of establishing a quorum.³ A board member attending remotely used to establish a quorum shall not be counted to determine if the board may enter executive session.

Licensed and Classified Personnel Policies

Personnel policies (including employee salary schedules) shall be created, amended, or deleted in accordance with State law:

(1) Board Proposals:

The Board may adopt a proposed personnel policy by a majority vote. Such policies may be proposed to the Board by a Board member or the Superintendent. The Board may choose to adopt the proposal, as a proposal only, by majority vote.

Following the adoption of a proposed personnel policy, the proposal must be presented to the appropriate Personnel Policy Committee (PPC). Such presentation shall be in writing, to all members of the Committee.

When the PPC has possessed the proposed personnel policy for a minimum of ten (10) working days from the date the PPC received the proposed policy (i.e., ten (10) workdays, not including weekends or state or national holidays), the Chairman of the PPC, or the Chairman's designee, shall be placed on the Board of Director's meeting agenda to make an oral presentation to the Board to address the proposed policy. A copy of all personnel policies shall be signed by the president of the Board of Directors and kept in a central records location.

All personnel policies must be sent to the PPC for the minimum ten (10) days regardless of the intended effective date of the policy.

Effective date of policy changes:

All personnel policy changes enacted during one fiscal year will become effective on the first day of the following fiscal year, July 1. This specifically includes any changes made between May 1 and June 30 to ensure compliance with state or federal laws, rules, or regulations or the Arkansas Department of Education Commissioner's Memos. In addition, changes to policies to maintain compliance with state or federal laws, rules, regulations, or Commissioner's Memos that are after June 30 but are adopted within ninety (90) days from the effective date of the legal change that created the need for the policy adoption shall become effective on the final date of adoption.

Changes made to personnel policies between May 1 and June 30 that are **not** made to ensure compliance with state or federal laws or regulations will take effect on July 1 of the same calendar year provided no later than five (5) working days after final board action, a notice of the change is

sent to each affected employee by first class mail to the address on record in the personnel file. The notice of the change must include:

- a. The new or modified policy or policies provided in a form that clearly shows the additions underlined and the deletions stricken;
- b. A statement that due to the change(s), the employee has the power to unilaterally rescind his/her contract for a period of thirty (30) days after the school board took final action on the policy (policies). The rescission must be in the form of a letter of resignation within the thirty (30) day period.

Except for policy changes to ensure compliance with changes in the law that are adopted within the ninety (90) day window, for a policy change to be made effective prior to July 1 of the following fiscal year, a vote must be taken of all licensed personnel or all classified personnel, as appropriate, with the vote conducted by the appropriate PPC.

If, by a majority vote, the affected personnel approve, the policy becomes effective as of the date of the vote, unless otherwise specified by the Board in requesting such vote. No staff vote taken prior to final board action will be considered effective to make a policy change.

All non-personnel policy changes may become effective upon the Board's approval of the change, unless the Board specifies a different date.

Student discipline policies shall be reviewed annually by the District's personnel policy committees and may recommend changes to such policies to the Board of Directors.

Parents, students, and school district personnel, including teachers, shall be involved in the development of student discipline policies.

1.11—BOARD MEMBER TRAINING

Individuals who are elected to serve on the District’s board of directors are required to receive annual training related to board service. Board members who are elected to serve an initial or non –continuous term shall obtain a minimum of nine (9) hours of training by December 31 of the year following their election and a minimum of six (6) hours of training by December 31 of each calendar year thereafter.

The initial nine (9) hours of training a board member receives shall include:

- o Training on how to read and interpret an audit report; and
- o Information regarding school safety and student discipline

Board members who have served on the Board for twelve (12) or more consecutive months are required to obtain a minimum of six (6) hours of training by December 31 of each calendar year. Hours a board member obtains in excess of the required minimums may be carried forward through December 31 of the third (3rd) calendar year following the year in which the hours were earned.

The superintendent shall annually prepare a report on board training hours to be presented to the Board at the Board’s regular January meeting. The report shall be presented in a table format with a row for each board member and columns for each of the following:

1. The hours of training each school board member received between January 1 and December 31 of the previous calendar year;
2. Hours of training, if any, a board member carried forward from a previous year that were eligible to be counted by the board member towards the previous year.
3. The sum of numbers 1 and 2; and
4. The number of training hours the board member was required to receive during the previous calendar year.

A board member who failed to receive or carry forward the required number of hours of training, as indicated by the report, shall:

- a. Have from January 1 through thirty (30) days following the date of the January board meeting to complete the deficient hours of training; and
- b. Not participate in official business, except for school board training, until the board member obtains the deficient hours of training.

A board member who fails to receive the deficient hours of training within the time provided shall be removed from the board in accordance with Policy 1.2—BOARD ORGANIZATION AND VACANCIES unless the failure to receive the required hours of training was due to the board member’s military service or a serious medical condition as indicated by a written sworn statement from the board member's treating physician. A board member who provides the necessary documentation demonstrating that the failure to receive the required hours of training was due to military service or a serious illness shall have until December 31 of the current calendar year to receive both the hours of training for the current calendar year and those the board member failed to obtain during the previous calendar year.

The training shall be focused on topics relevant to school laws, school operations, and the powers, duties, and responsibilities of the members of the board of directors. The responsibilities include, but are not limited to: legal requirements; role differentiation; financial management; improving student achievement; reading and interpreting an audit report; the duties and responsibilities of the various levels of employees within the district as well as those of the board of directors; and information regarding school safety and student discipline.

The district is responsible for maintaining a record of the hours of training received by each board member. Board members shall make a concerted effort to submit documentation of training they have received to the superintendent or the superintendent’s designee. In the absence of such documentation, the district shall attempt to obtain records of training received from training providers.

Such training may be obtained from an institution of higher learning, from instruction provided by the

Division of Elementary and Secondary Education (DESE), the Arkansas School Boards Association, or from other providers approved by the DESE.

A statement regarding the number of hours of training received each preceding calendar year shall be:

- Part of the district’s comprehensive school plan and goals;
- Published in the same way as other components of the comprehensive plan and goals are required to be published;
- Part of the annual school performance report required to be submitted to, and published by the DESE.

Board members shall be reimbursed, from school funds, for expenses relating to such training and board members shall be paid a per diem stipend for days necessary to attend such training with the amount of such stipend to be determined by the Board in July of each year.¹

1.13—SUPERINTENDENT/ BOARD RELATIONSHIP

The Board's primary responsibility is to develop, working collaboratively with the community, a vision and mission for the District. The Board formulates and adopts policies to achieve that vision and elects a Superintendent to implement its policies. The Board and the Superintendent and the relationship between them set the tone for the district to follow. The relationship is enhanced when both parties understand their roles and carry them out in an ethical and professional manner working to develop a relationship of mutual trust and respect.

The Superintendent and staff are responsible for administering the Board's policies and will be held responsible for the effective administration and supervision of the District. The Superintendent is authorized to develop and implement administrative regulations to fulfill the Board's policies, provided such regulations are consistent with the intent of the Board's policies.

1.14—MEETING AGENDA

The agenda guides the proceedings of the Board meeting. The Superintendent shall prepare the agenda with consultation from the Board President. Other members of the Board who desire to have an item placed on the monthly agenda may do so by contacting the Superintendent or, in writing, the Board President by the date established in this policy and the item will be duly considered for inclusion.

The chairman of the PPC, or the chairman's designee, shall be placed on the Board of Director's meeting agenda to make an oral presentation to the Board to address either a personnel policy proposed by the Board that the PPC committee has possessed for no less than ten (10) work days or a personnel policy that the PPC wishes to propose to the Board.

District patrons wishing to have an item placed on the Board meeting's agenda must submit their requests, in writing to the Superintendent, at least ten (10) days prior to the meeting of the Board. The written request must be sufficiently descriptive to enable the Superintendent and Board President to fully understand and evaluate its appropriateness to be an agenda item. Such requests may be accepted, rejected, or referred back to the individual for further clarification.

The Superintendent shall notify the Board President of all written requests to be placed on the agenda along with the Superintendent's recommendation concerning the request. No item shall be placed on the agenda that would operate to prejudice the Board concerning a student or personnel matter that could come before the Board for disciplinary or employment considerations or that is in conflict with other District policy or law.

Patrons whose written request to be placed on the meeting's agenda has been accepted shall have no more than three minutes to present to the Board unless specifically granted additional time by a motion approved by a majority of the Board. The speaker shall limit his/her comments to the approved topic/issue or forfeit his/her right to address the Board. The members of the Board will listen to the patron's presentation, but shall not respond to the presenter during the meeting in which the presentation is made. The Board may choose to discuss the issue presented at a later meeting, but is under no obligation to do so.

The Superintendent shall be responsible for Board members receiving copies of the Agenda with all accompanying pertinent information at least two days prior to the meeting.

This policy's advance notice requirements do not apply to special or called board meetings.

NEW HIRE OF SCHOOL BOARD MEMBER’S RELATIVE AS SCHOOL EMPLOYEE

The district shall not initially employ a present board member’s family member for compensation in excess of \$5,000 unless the district has received approval from the Commissioner of the Department of Education. The employment of a present board member’s family member shall only be made in unusual and limited circumstances. The authority to make the determination of what qualifies as “unusual and limited circumstances” rests with the Commissioner of the Department of Education whose approval is required before the employment contract is effective, valid, or enforceable.

Initial employment for a sum of less than \$5,000 per employment contract or, in the absence of an employment contract, calendar year does not come under the purview of this policy and is permitted.

The board member whose family member is proposed for an employment contract, regardless of the dollar amount of the contract, shall leave the meeting until the voting on the issue is concluded and the absent member shall not be counted as having voted.

EXCEPTION: SUBSTITUTES

Qualified family members of board members may be employed by the district as substitute teachers, substitute cafeteria workers, or substitute bus drivers for a period of time not to exceed thirty (30) days per fiscal year.¹

A family member of a school board member having worked as a substitute for the district in the past does not “grandfather” the substitute. The thirty (30) day maximum limit is applied in all cases.

EXISTING EMPLOYEES WHO ARE FAMILY MEMBERS OF SCHOOL BOARD MEMBERS—RAISES, PROMOTIONS OR CHANGES IN COMPENSATION

Any change in the terms or conditions of an employment contract including length of contract, a promotion, or a change in the employment status of a present board member’s family member that would result in an increase in compensation of more than \$2,500, and that is not part of a state mandated salary increase for the employee in question, must be approved by the Commissioner of the Department of Education before such changes in the employment status is effective, valid, or enforceable.

QUALIFICATIONS FOR RUNNING FOR SCHOOL BOARD MEMBER UNCHANGED

The employment status of a citizen's family member does not affect that citizen's ability to run for, and, if elected, serve the school board provided he/she meets all other statutory eligibility requirements.

1.18—DISTRICT AUDITS

The District's annual audit serves as an important opportunity for the Board of Directors to review the fiscal operations and health of the district. As such, it is vital Board members receive sufficient explanation of each audit report to enable the members to understand the report's findings and help them better understand the District's fiscal operations.

The District shall have an audit conducted annually within the timelines prescribed by law. The audit shall be conducted by the Division of Legislative Audit or through the audit services of a private certified public accountant(s) approved by the Board.

The Board of Directors shall review each annual audit at the first regularly scheduled board meeting following the receipt of the audit if the District received the audit prior to ten (10) days before the regularly scheduled meeting. If the audit report is received less than ten (10) days prior to a regularly scheduled board meeting, the board may review the report at the next regularly scheduled board meeting following the ten (10) day period.

The Superintendent shall present sufficient supporting/background information relating to the report's findings and recommendations which will enable the Board of Directors to direct the Superintendent to take appropriate action in the form of a motion or motions relating to each finding and recommendation contained in the audit report. Actions to be taken will be in sufficient detail to enable the Board of Directors to monitor the District's progress in addressing substantial findings and recommendations and subsequently determine that they have been corrected. The minutes of the Board's meeting shall document the review of the audit's findings and recommendations along with any motions made by the Board or actions directed to be taken by the Superintendent or designee.

The Board of Directors is responsible for presenting the audit's findings each year to the public .

1.19—BOARD MEMBER LENGTH OF TERM and HOLDOVERS

The District has five Board of Directors members. Each member is elected for a term of service of five years. Members may be re-elected to serve consecutive terms so long as the member continues to meet the eligibility requirements for board service.

A board member remains in office until the member's successor has been sworn into office. In the event a board member's term of office has expired and no one is elected to replace the member, or the individual elected fails to receive the oath of office within the time set in statute, the board member becomes a "holdover" and is treated as having been re-elected to office for another term; Board members may only serve one term as a holdover and may be re-elected to the board at the expiration of his/her term. Consequently, should no individual be elected to the position at the expiration of the holdover term, the position shall be declared to be vacant and filled in accordance with Policy 1.2—BOARD ORGANIZATION AND VACANCIES and Arkansas law. Board members not wishing to continue as a holdover may resign from office and the position is to be filled in accordance with Policy 1.2.

1.20—DUTIES OF THE LEGISLATIVE LIAISON

The Board of Directors recognizes the needs of the District require the Board to take an active role in the legislative process as it relates to legislation affecting this district and public education in general. To aid the Board in this endeavor, the Board shall elect one of its members to hold the office of Legislative Liaison. The duties of the legislative liaison are to:

- Be the primary contact person for legislative updates from the Arkansas School Boards Association (ASBA);¹
- Keep the other members of the Board up to date on legislative issues;
- Make arrangements for the legislators whose representation zones cover the District to be contacted by either the liaison him/herself or by another board member on pending issues that would impact the District.

Notes: The legislative liaison position and this policy are not statutorily required but is requested by ASBA so each board has at least one individual selected to receive and respond to ASBA's legislative updates. Your district could choose to make it part of another officer's duties rather than a separate office.

¹ Multiple board members from a district may elect to receive legislative updates from ASBA but all legislative liaisons will automatically be added to the email list to receive legislative updates.
