

PIGGOTT MOHAWKS

Piggott Public Schools
2022

Annual Report to the Public

September 12, 2022

OUR MISSION

The faculty and staff of the Piggott School District believe that all students can learn and master basic academic skills regardless of their previous academic performance, family background, socio-economic status, race, or gender. The faculty and staff accept the responsibility for providing strong instructional leadership, a positive school climate, and a safe and orderly school environment. We foster strong parent and community involvement.

Moving Forward

- * Vertical Alignment of Curriculum—We have added Core Knowledge Language Arts Curriculum that is aligned K-8th grades.
- * Provide the best types of curriculum to meet the needs of our students
- * Continue to build capacity among our staff in an effort to provide the best educational experience for our students
- * Create District Leadership Team
- * Look for opportunities to reduce expenditures as we continue to address both classified and certified salary schedules
- * Continue to address facility needs by repairing and upgrading current facilities as well as plan for future facility projects.
- * August 2023—Opening of the BRTC Satellite Campus at the Armory. Certification Courses to be offered—Welding and Industrial Electrical programs. Classes will be offered to Clay County schools and night classes will be offered for adults.
