**SOUTH CONWAY COUNTY SCHOOL DISTRICT**

# Message from the Superintendent

**"The South Conway County School District desires to be relationship-centered. This is vital to the district in maximizing the safety and learning of all scholars and staff and creating value for all stakeholders."**

**Shawn Halbrook, Superintendent**

**Dear South Conway County Learning Community,**

**On behalf of the South Conway County School District, it is my pleasure to present the 2021-2022 Annual Report to the Public. School districts in the state of Arkansas are required by A.C.A. §6-15-2006 to publish an annual report to the public. In the South Conway County School District, this is much more than a requirement; it is an opportunity for our school district to share with our learning community the wonderful things happening in the South Conway County School District.**

**The reason the South Conway County School District exists is to be a beacon of hope in our community and a shining light in the pursuit of teaching our students integrity, courage, respect, and character to make a positive difference in the world. We want people to live "Devil Dog Excellence," which is doing a person's best with the gifts and abilities that person has been given. To achieve "Devil Dog Excellence," it is the mission each day in the South Conway County School District to maximize the safety, learning, and achievement of every scholar we serve. The South Conway County School District Team is committed to accomplishing our mission with a Love, Serve, Care attitude.**

**It is my desire that the South Conway County School District's Report to the Public will reflect and communicate our journey to achieve "Devil Dog Excellence." Our school district is proud of our community, scholars, and staff. They are the true reflection of "Devil Dog Excellence" in the South Conway County School District.**

**Sincerely, Shawn Halbrook**

# South Conway County School Board Training Hours

State law mandates at least six hours of training for School Board members each school year. Average for 2021-22 training hours: 25.0 hours.

Director of Athletics*

# UACCM Concurrent Credit Partnership

UACCM CORE Academy is a new concurrent enrollment partnership between UACCM and the South Conway County School District. Through this program, MHS students will have an opportunity to complete the Arkansas 35-hour General Education Core requirement before they graduate high school without leaving the MHS campus.

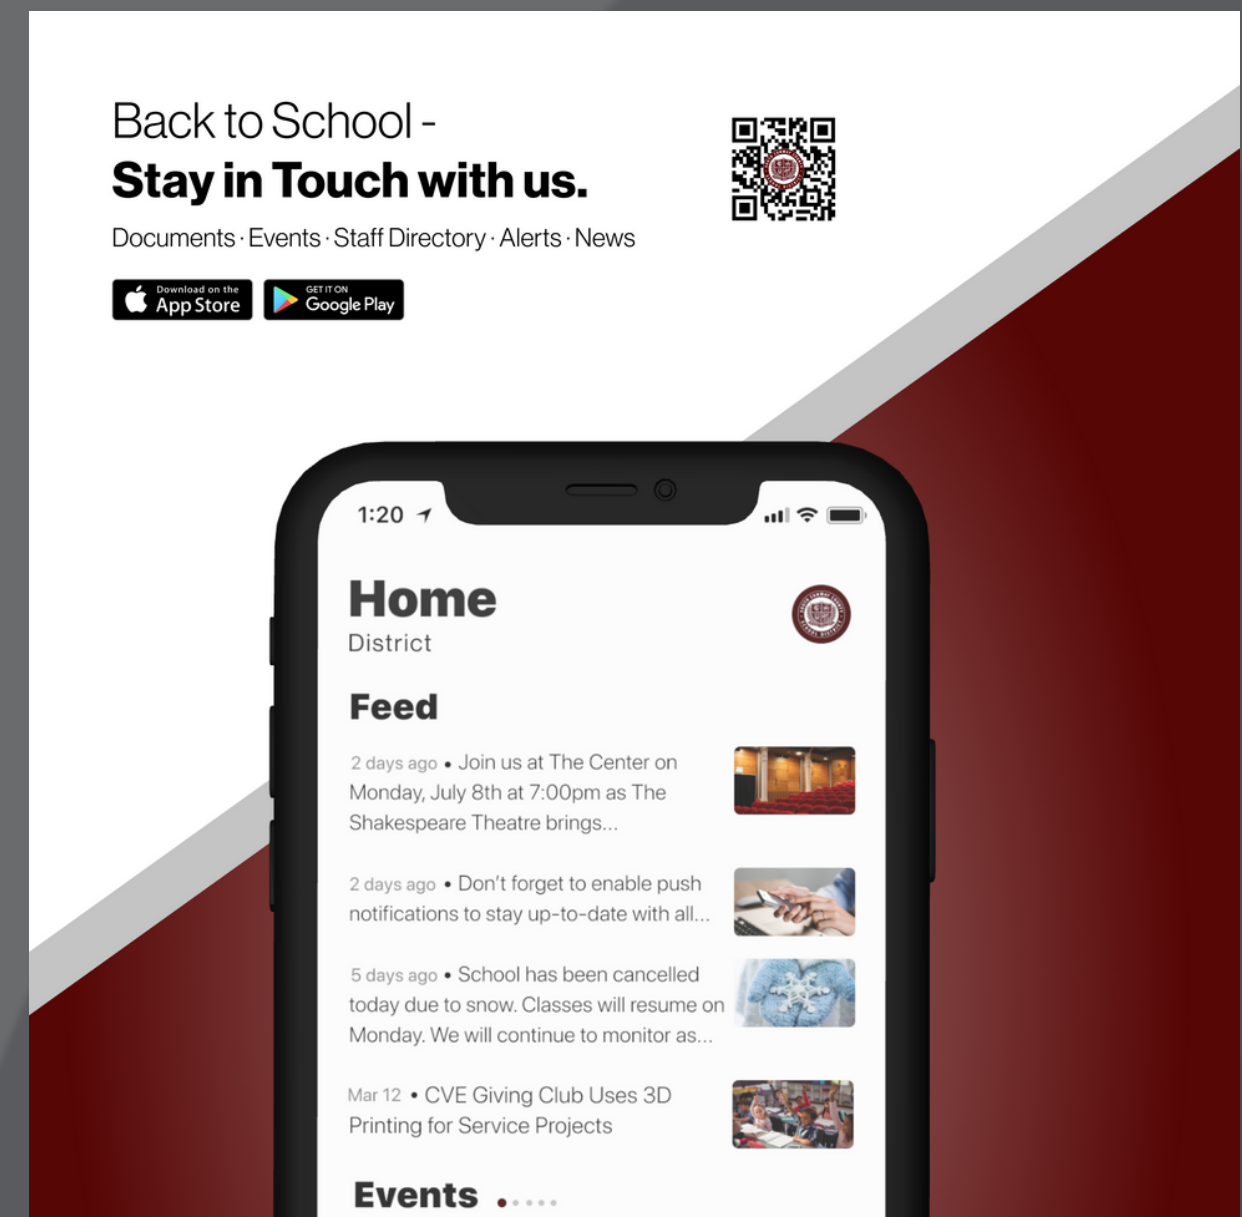

The 35-hour General Education Core is transferable to all public colleges in Arkansas. Students enrolled in the UACCM CORE Academy will be enrolled in UACCM courses, both on the high school campus as well as online courses taught by UACCM faculty.

Morrilton High School students can also enroll in UACCM's Career Center to take classes in technical/workforce programs, as well as other coursework on the UACCM campus. The UACCM concurrent credit partnership is an amazing opportunity and affordable way for high school students to jumpstart their college career and professional training by taking advantage of Conway County School Counts, Arkansas Concurrent Challenge, and SCCSD's contributions of \$56 per credit hour. The South Conway County School District will contribute up to \$56 per credit hour for ALL concurrent coursework. We are proud to invest in the futures of our graduates by giving them a headstart through the UACCM Concurrent Credit Partnership!

# Connect with us

The communications process throughout the spring and summer has been ever-changing. However, we are pleased with our ability to keep the parents and community updated and informed and through feedback, we feel it has been successful.
