

2018-2019 MCA Data Discoveries H-BC Public Schools

How Does Minnesota Use MCA Data

- Identify Proficiency: Percentage of students at Meets or Exceeds
- ESSA: Accountability results are used to meet the requirements of the Every Student Succeeds Act
- North Star Report: Combines data to identify schools for support

Now What?

- Continue to work with South Collaborative to share ideas for implementation
- Make effective use of new technology tools and software to identify student needs
- Increased rigor to reach depth of knowledge necessary for proficiency
- Team approach to re-teaching skills through Rtl program
- Use Rtl program as a vehicle to effect students at all levels
