Our District Calendar

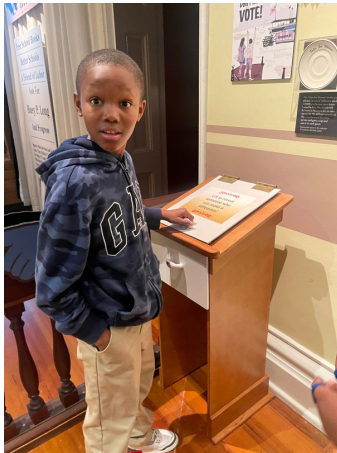

Making Accidents Disappear!

This week, students at Clinton Elementary School and Jackson Elementary School were treated to a magic show from DEMCO entitled "Making Accidents Disappear." The show covers the many hazards that can occur if electricity is not used properly as well as tips for safe electricity usage. Building partnerships with community institutions like DEMCO is a priority of East Feliciana Public Schools' strategic plan.

Discovering Louisiana History with CES

Clinton Elementary students had the opportunity to visit the Old State Capitol in Baton Rouge, where they were able to study historic artifacts, learn about the burning of the building and ghostly legends, and imagine their own future as Louisiana leaders!

A Wild Day at JES!

Students at Jackson Elementary School had the opportunity to participate in a learning experience with Barn Hill Preserve and Kids Saving the Rainforest. They met several animals that contribute to the diversity of their ecosystem and learned about the importance of the rainforest and the steps they can take to protect it.

Happy Holidays from EFHS

Students in Mrs. Johnson-Washington's art class at East Feliciana High Schools decked the halls and foyer of the school to usher in the holiday spirit. Pictured here are Christian Rogers, Lauren Huggins, and Kadence Harrell.

Project-Based Learning at EFEA

Students at the East Feliciana Enrichment Academy have been participating in several season learning projects. Pictured at left, Jaylynn Knighten and Kaden Anderson share their findings from a Thanksgiving dinner budgeting project. At right, Leonid Williams makes progress on his 12 Days of Christmas project for Ms. Kelly's math class.

EFHS Boys Basketball Update

The Tigers boys basketball team recently participated in the Belton/Williams Classic at Wossman High School in Monroe, finishing 1-2 with an opening round loss to the host Wossman Wildcats, a big win over Tensas, and a narrow overtime loss to Sterlington. Junior Trey'Dez Green was awarded MVP, averaging 27 points and 11 rebounds per game. Come check out the team this Tuesday at home at EFHS as they take on Central!

Celebrating the Gift of Reading

Clinton Elementary School hosted its annual book fair, where students got to preview, sample, and purchase a variety of books and other goodies!
