OUR NEW APP

The Louisiana Reads! Mobile App -- a parent resource platform to bridge the gap between at-home learning and classroom instruction. The app was designed with parents in mind so they feel confident in being active in their child's literacy journey. The app's current age group focus is birth - 9 years of age with plans to expand in the future.

You can visit <https://www.lareads.org/> or download Louisiana Reads! from your play store. Check out "Story Time with Dr. Ty!"

THE CENTER 
for Literacy & Learning

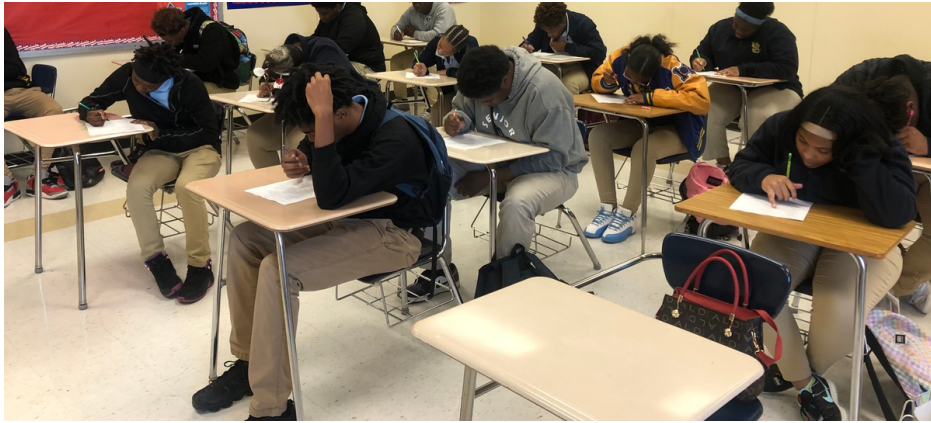

*Engaging families is a priority of East Feliciana Public Schools' strategic plan. Support your child's literacy development by downloading the **FREE Louisiana Reads!** app (above) and signing up for literacy tips via text (at right).*

The Center for Literacy and Learning is excited to announce its new texting service "The Literacy Lightbulb." This service will provide parents with literacy tips and activities that can be done at home.

To start receiving your monthly interactive literacy tip, text the word "**LAREADS**" to **(833) 460-0546**.

Don't wait; please sign up to start receiving fun-filled activities that you and your child will surely enjoy! Standard message and data rates may apply. You can opt-out by replying with STOP at any time.

Midterm Exams at EFHS

Scholars in Mr. Pullen's world history class engage in deep thinking as they complete their midterm exam covering topics such as the impact of imperialism on the world. Identifying and meeting student needs through the use of high-quality assessment systems is a priority of East Feliciana Public Schools' strategic plan.

Literacy Night at JES

Jackson Elementary School hosted a family literacy night on Thursday evening. Families had the opportunity to hear a variety of holiday stories, play literacy games, make fun crafts, and even visit the JES book fair!

Aquaponics at EF STEAM

As part of the East Feliciana STEAM Academy's problem-based learning focus, students have started to manage the daily care of the school's aquaponics system. Starting in the second semester, they will be incorporating plant life into their ecosystem.

Holiday Fun at SES

Students participating in the EF Accelerate/21st CCLC afterschool program at Slaughter Elementary had a special holiday party to celebrate all their hard work during the first semester.

Spotlight on EFHS Football

Congratulations to the members of our East Feliciana High School Tigers football team who have earned special recognition for their play this season. Special congratulations to Mills Dawson, Chandler Wilson, and Landon Wilson for their victory with the Eagles at yesterday's Red Stick Bowl. Chandler grabbed a key interception, Landon was recognized as the outstanding defensive back for the Eagles, and Mills was recognized as the outstanding quarterback/wide receiver for the Eagles.

Happy Holidays from CES!

Students at Clinton Elementary School spread holiday cheer at a special program held on Thursday. Students collaborated with their teachers and classmates to prepare special presentations across a wide range of performing arts.
