

EAST FELICITATIONS

Celebrating our #HomegrownPride in East Feliciana Public Schools

Welcoming Our New Board

Members elected to the East Feliciana Parish School Board took their oath of office from Clerk of Court David Dart on December 20 at our central office in Clinton. They officially took office on January 1. Pictured above, Superintendent Keisha L. Netteville and Clerk Dart greet board members Rufus Nesbitt, Melissa Davis, Patricia C. King, Paul Kent, Lillian G. Drake, Peidera Sims, Michael Ray Bradford, and Clayton "Cisco" Elkins. Members of the board will continue to drive and support the work of #HomegrownPride, our five-year strategic plan. Through the work of this plan, all our schools showed growth in their School Performance Score and East Feliciana Public Schools was the top district statewide for growth in students scoring mastery and above on state assessments during the 2021-2022 school year. East Feliciana Public Schools was also the top district in the Capital Region for growth in District Performance Score and one of just 20 districts statewide earning an A for student growth.

Readers are Leaders!

Jackson Elementary School fifth graders spend some time reading to JES kindergarten students.

Our District Calendar

Introducing the EFMS Beta Club

On December 9, East Feliciana Middle School hosted an induction ceremony for new members of the EFMS Chapter of the National Beta Club. The mission of the organization is to promote the ideals of academic achievement, character, service, and leadership among elementary and secondary school students.

Tigers Take the Court

Basketball season continues for both East Feliciana High School and East Feliciana Middle School. Check out this week's schedule on page one of this newsletter and the complete season schedule at efschools.net/athletics.

What's for Lunch?

All East Feliciana Public Schools students can eat breakfast and lunch at NO COST. Visit efschools.net/dining for this week's menus!

New Year, New Learning

Slaughter Elementary health and physical education teachers were among the many teachers who reviewed procedures and expectations with students upon return from our break to ensure students are well-prepared to learn more and meet their individual goals during the second semester. Take a moment to ask your child about their goals for second semester!
